Orders in Council

Order in Council terminating the activities of the Canadian Medical Procurement and Assignment Board

P.C. 1116

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Administrator on the 26th March, 1946.

The Committee of the Privy Council have had before them a report, dated 22nd March, 1946, from the Minister of National Defence, stating as follows:—

- (a) Under Order in Council P.C. 6185 dated 20th July, 1942, as amended by Orders in Council P.C. 10360 dated 17th November, 1942, P.C. 10934 dated 1st December, 1942, P.C. 7523 dated 6th October, 1944, P.C. 75/2247 dated 4th April, 1945, and P.C. 6890 dated 13th November, 1945, the Canadian Medical Procurement and Assignment Board was set up for the purpose of allocating medical officers in the proper proportions to the Armed Forces of Canada considering the available supply of physicians, the requirements of the forces and the necessary civilian requirements.
- (b) Under the aegis of the said Board a scheme for the enrolment of medical students into the armed forces whilst attending medical schools was inaugurated.
- (c) On the recommendations of the said Board, certain medical officers were seconded or loaned to other federal government departments, provincial health departments and civilian institutions.
- (d) It is considered that there is no further requirement for a body under the Department of National Defence to carry out the duties of the Canadian Medical Procurement and Assignment Board.

The Committee, therefore, on the recommendation of the Minister of National Defence, advise that under the National Emergency Transitional Powers Act, 1945, Orders in Council P.C. 6185 dated 20th July, 1942, P.C. 10360 dated 17th November, 1942, P.C. 10934 dated 1st December, 1942, P.C. 7523 dated 6th October, 1944, P.C. 75/2247 dated 4th April, 1945 and P.C. 6890 dated 13th November, 1945, be revoked effective 31st March, 1946.

The Committee further advise that the Adjutant-General or the Chief of Naval Personnel, as appropriate, be charged with responsibility for the winding-up of the above-mentioned training scheme for medical officers and for the termination of the periods of secondment and loan above-mentioned.

Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY

THE ADMINISTRATOR IN COUNCIL:

Whereas by Order in Council P.C. 7061 of the 23rd November, 1945, Mr. J. M. McDougall was appointed Transport Controller and Mr. B. S. Order in Council constituting the Inspection Board of Canada

P.C. 1206

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 29th day of March, 1946.

PRESENT:

HIS EXCELLENCY

THE ADMINISTRATOR IN COUNCIL:

Whereas by Order in Council P.C. 5995 dated 26th October, 1940, as amended, there is established the Inspection Board of the United Kingdom and Canada, charged

with the duties of inspecting and certifying munitions and supplies on behalf of the Governments of the United Kingdom and Canada and of acting as the agent of the contracting Governments in the performance of such duties;

And whereas on 6th November, 1940, by a "Memorandum of Agrément" made between the Governments of the United Kingdom and Canada, the two Governments agreed to the establishment of the said Board charged with the duties aforesaid;

And whereas the Government of the United Kingdom has now requested the revocation of the said Agreement and the dissolution of the said Board;

And whereas it is considered to be in the Public interest that the Canadian Government should assume responsibility for such inspection and certification as has heretofore been carried out by the Inspection Board of the United Kingdom and Canada and to that end that there should be established a Board to be known as the "Inspection Board of Canada";

And whereas it is considered desirable that the work of inspection be continued without interruption by the staff trained for the purpose who have been engaged by the existing Board otherwise than under the provisions of the Civil Service Act, by reason of the national emergency arising out of the war against Germany and Japan for the following purposes:

- (i) to provide for and maintain the armed forces of Canada during the occupation of enemy territory and demobilization;
- (ii) to assist in the relief of suffering and the restoration of essential supplies and services in foreign countries which are in grave distress as a result of the war; and
- (iii) to continue in an orderly manner measures adopted during and by reason of the war for the creation of an inspection organization.

And whereas the Minister of National Defence reports that, as this proposal in effect merely transfers the functions of the Inspection Board of the United Kingdom and Canada to the Canadian Government and as funds have already been made available for such functions, no additional expense is involved;

Therefore, His Excellency the Administrator in Council, on the recommendation of the Minister of National Defence, and under the authority of the National Emergency Transitional Powers Act, 1945, is pleased to order as follows:

- (a) The following Orders in Council are hereby revoked as of the 31st day of March, 1946:

P.C. 5995 of 26th October, 1940,
P.C. 9104 of 30th November, 1943,
P.C. 46/9151 of 6th December, 1944,
P.C. 5130 of 24th July, 1945,
P.C. 37/1038 of 9th February, 1942;

- (b) The cancellation of the Memorandum of Agreement dated 6th November, 1940, above referred to, is hereby approved and confirmed;
- (c) The Inspection Board of the United Kingdom and Canada is hereby dissolved as of 31st March, 1946.

His Excellency in Council is further pleased to make and doth hereby make the annexed Order constituting the "Inspection Board of Canada".

A. D. P. HEENEY,
Clerk of the Privy Council.

- (b) To act as the agent of the Contracting Governments for the inspection of munitions, supplies or stores and the performance of inspection services.

P.C. 1240

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 2nd day of April, 1946.

PRESENT:

HIS EXCELLENCY

THE ADMINISTRATOR IN COUNCIL:

Whereas by Order in Council P.C. 5688 of the 21st of August, 1945, the Minister of Finance is authorized to pay compensation on an *ex gratia* basis in respect of damage to property resulting from the disorders in Halifax on V-E Day and the explosion of the Naval Magazine at Bedford Basin on the 18th and 19th days of July, 1945;

And whereas Mr. Benjamin W. Newsam has been appointed the Dominion Administrator of Halifax Explosion and Disorder Claims;

Order in Council re-establishing under The Research Council Act, 1924 the Sir Frederick Banting Fund Committee

P.C. 1241

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 2nd day of April, 1946.

PRESENT:

HIS EXCELLENCY

THE ADMINISTRATOR IN COUNCIL:

Whereas Order in Council P.C. 4260 dated 27th August, 1940 establishes, under the provisions of the War Measures Act, a Committee to be known as the War Technical and Scientific Development Committee, fixes the membership of the Committee and provides that the Committee be authorized to accept donations of money to be used in the furtherance of Canada's war effort and to allocate the funds thus received for expenditure on projects to be selected from a list presented by, and revised from time to time by the President of the National Research Council;

And whereas the said Order also provides that the said donations be placed to the credit of the Receiver General of Canada in a special account in the name of the War Technical and Scientific Development Committee, and authorizes the Comptroller of the Treasury to transfer from the said special account to the National Research Council such sums as may be approved by the said Committee from time to time, for expenditure by the said Council, on approved projects;

And whereas Orders in Council P.C. 5607 dated 15th October, 1940 and P.C. 1509 dated 3 March, 1941 authorize increases in the membership of the War Technical and Scientific Development Committee;

And whereas Order in Council P.C. 4315 dated 15th July, 1941, provides that the fund held by the Comptroller of the Treasury in a special account in the name of the War Technical and Scientific Development Committee be designated "The Sir Frederick Banting Fund";

And whereas in Order in Council P.C. 2488 dated 10th April, 1945 it is represented that it is desirable that the Sir Frederick Banting Fund be made available for the furtherance of postwar projects on the same basis as has been proven to be of great service in furthering scientific war activities, and that the patriotic Canadian citizens who have made donations to the Sir Frederick Banting Fund have expressed their approval of any part of this fund not required for war purposes, being used as "free money" on the basis and for the purpose outlined;

And whereas the said Order in Council P.C. 2488 accordingly changes the name of the War Technical and Scientific Development Committee to the Sir Frederick Banting Fund Committee, revises the membership of the said Committee, and empowers the said Committee to authorize expenditure in connection with projects, which, in the opinion of the Committee, are important to the postwar prosperity of Canada;

And whereas it is necessary that the Sir Frederick Banting Fund Committee which was established under the authority of the War Measures Act, be re-established under the authority of a continuing statute having continuing effect in order that the Committee may continue in the future to render the same service which proved to be of such great value in furthering scientific war activities;

And whereas the Research Council Act 1924 provides that the National Research Council shall have charge of all matters affecting scientific and industrial research in Canada, which may be assigned to it by the Committee of the Privy Council on Scientific and Industrial Research, and that the Council shall have power to acquire money by gift, grant, bequest, donation or otherwise, and to expend such sums;

Therefore His Excellency the Administrator in Council, on the recommendation of the Minister of Reconstruction and Supply, Chairman, of the Committee of the Privy Council on Scientific and Industrial Research, is pleased to order that the Sir Frederick Banting Fund Committee, established under the authority of the War Measures Act, be and it is hereby re-established under the authority of the Research Council Act 1924, without change in its present membership, functions, or powers, as set forth in P.C. 4260 dated 27th August, 1940, and revised by P.C. 4315 dated 15th July, 1941, and P.C. 2488 dated 10th April, 1945.

His Excellency in Council is further pleased to revoke and doth hereby revoke the following Orders in Council passed under the authority of the War Measures Act, with respect to the War Technical and Scientific Development Committee and its successor, the Sir Frederick Banting Fund Committee:

P.C. 4260 dated 27th August, 1940, establishing the War Technical and Scientific Development Committee,

Order in Council authorizing the issue of emergency wheat receipts entitling the holders to payment, for wheat delivered prior to 30th June 1946, at any time prior to 31st December, 1948

P.C. 1243

AT THE GOVERNMENT HOUSE AT OTTAWA

MONDAY, the 1st day of April, 1946.

PRESENT:

HIS EXCELLENCY

THE ADMINISTRATOR IN COUNCIL:

Whereas the Minister of Trade and Commerce reports that there exists, as a result of the war, a great and increasing shortage of food in many countries causing grave and continuing distress which it is desirable to alleviate by the early shipment of wheat;

That although many farmers in Western Canada have delivered practically all of their surplus wheat, some farmers have stored on their farms substantial quantities of wheat which they have not been delivering because the moneys received by them on the sale of such wheat would be part of their income within the calendar year 1946 and subject to taxation as such;

That in order to encourage and promote the delivery of such wheat, it is advisable and necessary to authorize The Canadian Wheat Board, when buying wheat subject to the terms of the Canadian Wheat Board Act and notwithstanding the terms of the said Act, to give to the producer delivering such wheat to the Board, at the option of such producer in lieu of the sum certain in money required to be paid by the said Act, an emergency wheat receipt acknowledging the receipt and purchase of such wheat by the Board and entitling the producer named therein to receive payment of the said sum certain from the Board, without interest, on demand at any time on or prior to the 31st day of December, 1948;

Therefore, His Excellency the Administrator in Council, on the recommendation of the Minister of Trade and Commerce, and under and by virtue of the powers conferred by the National Emergency Transitional Powers Act, is pleased, hereby, to make the following order and to declare that the same shall be operative, notwithstanding any statute or law to the contrary, on, from and after the 1st day of April, 1946:

ORDER

1. (1) In this order and in any regulations made pursuant to this order, unless the context otherwise requires,

- (a) "Board" means the Canadian Wheat Board constituted by the Canadian Wheat Board Act, 1935, as amended;
- (b) "wheat" means wheat grown in that area comprised by the Province of Manitoba, the Province of Saskatchewan, the Province of Alberta and those parts of the Province of British Columbia known as the Peace River District and the Creston-Wynndel areas and such other parts of the Province of British Columbia and such parts of the Province of Ontario lying in the Western Division as the Board may from time to time designate.
- (c) "regulation" means any regulation made by the Board under the authority of this order and includes instructions to the trade issued by the Board.

(2) Unless it is otherwise provided in these regulations or the context otherwise requires, words and expressions used in this Order shall be given the same meaning as is respectively accorded to such words and expressions when used in the "Western Grain Regulations 1945-46 (Canadian Wheat Board)".

2. The Board is hereby authorized and empowered, at the request of the producer, to give to producers selling and delivering wheat to the Board on or prior to the 30th day of June, 1946, pursuant to the terms of the Canadian Wheat Board Act, 1935, as amended, and the Western Grain Regulations 1945-46 (Canadian Wheat Board), as amended, in lieu of the sum certain required to be paid to such producers by said Act and regulations, and, notwithstanding the provisions thereof and of the Canada Grain Act as amended, an emergency wheat receipt which shall not be transferable except with the special permission of the Board and shall

- (a) acknowledge receipt and purchase by the Board of the wheat so sold and delivered; and
- (b) entitle the producer named therein to receive from the Board the said sum certain, without interest, on application by such producer and surrender of such receipt at any time on or prior to the 31st day of December, 1948.

3. The Board shall, upon application to it by the producer named in any emergency wheat receipt for payment of the sum certain named therein and surrender to it of such receipt, pay to such producer the sum certain referred to in the said receipt and the moneys so received by the producer shall be income of the producer in the year in which they are received if received on or prior to the 31st day of December 1948 and if received after the said date they shall, for the purpose of taxation, be deemed to be income of such producer for the year 1948.

4. The Board may, by order,

- (a) prescribe such form of emergency wheat receipt or other forms, as it deems necessary for the administration of this order or for any regulation made pursuant to this order.
- (b) prescribe the means by and method in which emergency wheat receipts shall be issued and payment of the sum certain referred to therein made to producers as provided herein.
- (c) provide for any matter necessary or incidental to the foregoing or to the effective operation of any regulations made by the Board in relation to the foregoing.
- (d) amend, revoke or cancel any regulations issued or made pursuant to this order.

Order in Council making regulations under the Immigration Act re entry into Canada of enemy aliens.

P.C. 1373

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 9th day of April, 1946.

PRESENT:

HIS EXCELLENCY

THE ADMINISTRATOR IN COUNCIL:

Whereas by Order in Council P.C. 2653 dated the 14th day of September, 1939, as amended by Order in Council P.C. 3547 dated the 21st of May, 1941, the entry to or landing in Canada of enemy aliens is prohibited;

And whereas the Minister of Mines and Resources reports that the said Orders were made under the authority of the War Measures Act, and that it is now desirable to provide the necessary immigration control of this class under the authority of the Immigration Act;

Therefore, His Excellency the Administrator in Council, on the recommendation of the Minister of Mines and Resources, and under the authority of Section 38 of the Immigration Act, is pleased to order that from and after the date hereof, and until otherwise ordered, the entry to or landing in Canada of enemy aliens shall be and the same is hereby prohibited; provided that this Order shall not be held to exclude persons coming within the above described class who satisfy the Minister of Mines and Resources that they were opposed to an enemy government.

His Excellency in Council is further pleased to revoke the said Order in Council P.C. 2653 and its amendment, and they are hereby revoked accordingly.

A. D. P. HEENEY,

Order in Council amending the Veterans' Land Act 1942— re loans or advances

P.C. 1380

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 9th day of April, 1946

PRESENT:

HIS EXCELLENCY

THE ADMINISTRATOR IN COUNCIL:

Whereas Sub-section 4 of Section 22, the Soldier Settlement Act 1919, provides as follows:

4. If and when such property is resold by the Board, any surplus remains in its hands beyond the amount owing to it as balance of the sale price and interest at five per centum per annum and expenses of taking over and reselling the property, the Board shall pay such surplus to the settler; but if, instead, a deficiency arises, that deficiency shall be paid by the settler to the Board, which shall have a right of action against him therefor.

And whereas Section 23 the Veterans' Land Act 1942 provides as follows:—

23. Loans or advances authorized by this Act shall not be made to persons who obtained loans or advances under the provisions of the Soldier Settlement Act, and who are indebted to the Director of Soldier Settlement.

And whereas the Minister of Veterans Affairs reports that in no case has the Director of Soldier Settlement invoked the relative part of Sub-section 4 of Section 22, the Soldier Settlement Act 1919, for the recovery of a deficiency irrespective of the nature of a settler's default or the reason for rescission of agreement;

That a limited number of settlers whose agreements with the Director of Soldier Settlement were duly cancelled or assigned have served with the Armed Forces of Canada during World War II, but whose applications for assistance under the provisions of the Veterans' Land Act 1942 are barred by Section 23 of that Act quoted above; and

That examination of the particulars relating to rescission or assignment of agreements with the Director of Soldier Settlement and the circumstances presently confronting a limited number of such veterans, indicates that Section 23 the Veterans' Land Act is unduly restrictive;

Therefore His Excellency the Administrator in Council, on the recommendation of the Minister of Veterans Affairs and under and in virtue of powers conferred by the National Emergency Transitional Powers Act, 1945, is pleased to order that Section 23 of the Veterans' Land Act, 1942, be and it is hereby repealed and the following Section substituted therefor:

23. Save with the approval of the Minister loans or advances authorized by this Act shall not be made to persons who obtained loans or advances under the provisions of the Soldier Settlement Act, and who are indebted to the Director of Soldier Settlement.

A. M. HILL,
Asst. Clerk of the Privy Council.

3. For the purposes of this Order, "maximum net selling price" for any seller in respect of his sale of any product to which this Order applies, to any particular buyer, means the seller's highest lawful selling price before cash discount, in effect on March 30, 1946, but after deduction of all differentials and other discounts customarily allowed by that seller to that buyer or to buyers of the same class.

Highest Lawful Selling Prices in Effect on March 30, 1946, for Steel Products

4. (1) The producer of a basic and/or primary steel product who did not increase his lawful selling price for such product on or after February 14, 1942, by the full amount of the price increase authorized by the Steel Controller on that date may on all his sales of such product increase his lawful selling price by adding thereto the difference between the full amount of the price increase so authorized and the amount, if any, by which he has already increased such price.

(2) Any seller, other than the producer, of a basic and/or primary steel product produced in Canada, may increase his lawful selling price for such product in effect on February 13, 1942, by the amount of the increase in his supplier's lawful selling price to him, between February 14, 1942, and March 30, 1946, both inclusive.

(3) The lawful selling prices established by subsections (1) and (2) above for basic and/or primary steel products produced in Canada shall be deemed to be the highest lawful selling prices in effect on March 30, 1946.

Basic and/or Primary Iron or Steel Products Listed in Schedule "A"

5. The maximum net selling price at which any person may sell a basic and/or a primary iron or steel product produced in Canada and listed in Schedule "A" hereto, is increased by the amount calculated at the rate set forth for that product in the said Schedule "A".

Secondary Iron or Steel Products Listed in Schedule "B"

6. The maximum net selling price at which a manufacturer may sell a secondary iron or steel product produced in Canada and listed in Schedule "B" hereto is increased by the amount calculated at the rate set forth for that product in the said Schedule "B".

Sales by Distributors of Iron and/or Steel Products Produced in the United States of America

7. (1) The maximum net selling price at which the importer may sell an iron or steel product produced in the United States of America to a manufacturer is increased by the amount of the difference between his current laid down cost in accordance with maximum prices fixed by the Office of Price Administration of the United States of America for such product and the maximum laid down cost similarly determined at which an identical product was or could have been imported from the same seller or class of seller in the United States of America on December 31, 1945.

(2) If the importer sells to a person other than a manufacturer, an iron or steel product produced in the United States of America he shall not increase his selling price therefor except to the extent that upon application by him he is authorized so to do by the Administrator of Distributive Trades.

Sales by Manufacturers of Goods Containing Iron or Steel

8. (1) The maximum net selling price at which the manufacturer may sell goods containing any iron or steel is increased by the amount of the increased cost of any component of such goods effected by reason of any price increase authorized by the provisions of this Order, plus twenty-five per centum (25%) of such increased cost.

(2) Notwithstanding the provisions of subsection (1) above if the components are iron or steel produced in Canada and are of types listed in Schedule "C" hereto, the increased cost referred to in subsection (1) above shall be deemed to be the amount calculated on the basis of the rates of cost increase set forth in the said Schedule.

(3) In addition to the increase in the maximum net selling price of a manufacturer authorized by subsection (1) of this Section, the maximum net selling price at which the manufacturer may sell goods containing any iron or steel component which he imported directly from the United States of America is further increased by the amount of the difference between his current laid down cost in accordance with maximum prices fixed by the Office of Price Administration of the United States of America for such component and the maximum laid down cost similarly determined at which an identical component was or could have been imported directly from the same seller or class of seller in the United States of America on December 31, 1945, plus an amount equal to twenty-five per centum (25%) of such difference in laid down cost.

(4) For the purposes of this Section "component" means any material all or part of which is physically incorporated into goods produced for sale and shall not include manufacturing supplies, machinery, tools and equipment used in the production of finished goods.

Sales by Wholesalers of Goods Containing Iron or Steel

9. (1) The maximum net selling price at which any wholesaler may sell goods other than basic and/or primary iron or steel products listed in Schedule "A" which are manufactured in Canada, and contain any iron or steel components shall be increased to the sum of the following:

- (a) the maximum net selling price at which the manufacturer of those goods who is his supplier may sell the goods to him;
- (b) the actual cost incurred by him in transporting the goods from his supplier's shipping point to his place of business; and
- (c) the highest markup (percentage of selling price) which he could lawfully have obtained on March 30, 1946, on his sales to that person of the same or a substantially similar kind and quality of goods.

(2) In transactions between wholesalers, the total of the markups taken by all wholesalers must not exceed the amount allowed by subsection (1) above to the original wholesaler, and each seller must show on his sales invoice the amount of markup remaining for the buyer.

(NOTE: The Administrator of Distributive Trades will in the near future be issuing an Order varying the maximum markups for sales by wholesalers and retailers of a substantial number of the goods, sales of which by wholesalers and retailers are at present governed by Sections 9 and 10 of this Order.)

Notification of New Prices

11. Before selling any goods other than those listed in Schedules "A" and "B" hereto at a price higher than his maximum net selling price for those goods in effect as of March 30, 1946, any person (other than a retailer) whose maximum net selling price for any goods is increased, pursuant to the provisions of this Order, shall notify his customers of the new prices and in addition (if such person is a manufacturer) shall file with the appropriate commodity Administrator a list of the maximum net selling prices which he had in effect on March 30, 1946, and either

- (a) a list of the prices established by him pursuant to the provisions of this Order as being his maximum net selling prices; or
- (b) a list of the rate or rates of increases established by him pursuant to the provisions of this Order and used in determining his maximum net selling prices together with detailed computations used as bases or formulae in determining such increases.

The prices so established by any person for any goods shall be his maximum net selling prices for those goods and he may continue to sell such goods at such maximum net selling prices unless he is otherwise directed by or on behalf of the Board.

WARTIME PRICES AND TRADE BOARD

ORDER No. 619

Variation of Maximum Markups for Certain Sales at Wholesale and Retail of some Imported Vegetables

In order to ensure the continued distribution of certain imported vegetables and imported onions during periods when their increased laid-in cost to wholesale distributors prevents normal merchandising, it is necessary while preserving present maximum prices on sales to consumers to readjust the markups available to wholesalers and retailers on the sales of such produce and to vary the maximum prices for sales at wholesale.

Therefore under powers given to the Board by The Wartime Prices and Trade Regulations, being Order in Council P.C. 8528 dated November 1, 1941, and amendments, the Board orders as follows:

1. This Order comes into force on April 15, 1946.
2. For the purpose of this Order
 - (a) any word or expression which by Administrator's Order No. A-1267 or No. A-1581 is given a defined meaning shall have the same meaning when used in this Order;
 - (b) "produce" means any of the following kinds of vegetable:
 - (a) beets;
 - (b) cabbage;
 - (c) carrots;
 - (d) onions;
 - (e) turnips.

3. (1) Whenever a wholesale distributor's laid-in cost of any produce imported by him exceeds by eleven and one-half per centum ($11\frac{1}{2}\%$) or more the maximum price, as fixed by said Order No. A-1267 or No. A-1581, at which a shipper could sell to him domestic produce of the same kind, variety and grade, he may make application to the Administrator of Fresh Fruit and Vegetables or to the nearest office of the Board for a variation of the maximum price at which he may sell such imported produce.

(2) Such application shall show in respect of such imported produce the following particulars:

- (a) the wholesale distributor's actual laid-in cost of the imported produce;
- (b) the maximum price in accordance with the provisions of Section 4 of this Order, at which he proposes to sell the imported produce to other wholesale distributors and to retailers;

- (c) the amount of markup (in dollars and cents) which would be available to a customer situated in the importing wholesale distributor's customary free delivery zone on a sale of imported produce purchased from him at the price set out in clause (b) of this subsection; and
- (d) such other information as may be required.

4. (1) Subject to the provisions of subsection (2) of this Section, on application of a wholesale distributor filed pursuant to the provisions of Section 3 of this Order, the said Administrator or a duly authorized officer of the Board may fix the portion of the gross combined markup available to a wholesale distributor or distributors and to a retailer that may be obtained by each of them on a sale of that imported produce; and notwithstanding anything contained in said Order No. A-1267 or No. A-1581 may vary the maximum price at which such imported produce may be sold by the importing wholesale distributor to a retailer and if he proposes to sell it to another wholesale distributor, may vary the maximum price at which he may sell such produce to other wholesale distributors and the price at which any wholesale distributor may sell it to a retailer.

(2) The amount of markup remaining to a retailer pursuant to any fixation under the provisions of subsection (1) of this Section shall not in any event be less than 75% of the gross combined markup available to the wholesale distributor or distributors and the retailer, the same to be calculated on the basis of the importing wholesaler's landed cost and the maximum price at retail in his free delivery zone.

(3) Whenever a wholesale distributor sells to a retailer or to another wholesale distributor any imported produce for which his maximum price has been varied pursuant to subsection (1) of this Section, he shall show on his invoice therefor the amount of markup (in dollars and cents) remaining for a retailer (and if the purchaser is another wholesale distributor also showing the amount of markup remaining for him).

5. The maximum price at which any person may sell at retail any imported produce for which the maximum price on sales to him by his supplier has been varied pursuant to Section 4 of this Order shall be

- (a) if his place of business is situated within the area in which his supplier is required to make free delivery, the sum of
 - (i) the actual price paid by him for the imported produce but not exceeding the maximum price at which his supplier may sell the imported produce to him; and
 - (ii) the markup (in dollars and cents) that may be taken by him, as designated on the invoice furnished him by his supplier;
- (b) if his place of business is situated elsewhere than within the area in which his supplier is required to make free delivery, the sum of
 - (i) the actual price paid by him for the imported produce but not exceeding the maximum price at which his supplier may sell the imported produce to him;
 - (ii) the markup (in dollars and cents) that may be taken by him as designated on the invoice furnished him by his supplier;
 - (iii) the transportation charges not included in such actual price, which he paid in transporting the imported produce from his supplier's shipping point to the city, town or village in which his place of business is situated, but not exceeding the cost of shipping by freight; and
 - (iv) the markup under Symbol "J" in Schedule "A" of Order No. 450 of the Board calculated according to the provisions of that Order on the amount of the transportation charges referred to in paragraph (iii) of this clause.

6. Nothing in this Order shall be deemed to authorize the sale at retail of any imported produce to which this Order applies at a price higher than the maximum price fixed for a sale at retail of that produce by the provisions of said Order No. A-1267 or No. A-1581, as the case may be.

Made at Ottawa, this 9th day of April, 1946.

Chairman.

re the Inventions Board**

P.C. 1322

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 9th day of April, 1946.

PRESENT:

HIS EXCELLENCY,

THE ADMINISTRATOR IN COUNCIL:

Whereas the Inventions Board was established by Order in Council P.C. 4263 of May 24, 1943, which Order was superseded by P.C. 9750 of December 24, 1943;

And whereas the said Order of December 24, 1943, authorizes the Inventions Board to require the assignment to the Crown of inventions made by members of the armed forces and the said Order also provides for the assignment to the Crown of inventions made by persons other than members of the armed forces;

And whereas by Order in Council P.C. 497 of January 23, 1945, inventions and suggestions made by members of the armed forces as members of groups organized for research related to the war were exempted from the operation of the said P.C. 9750; and all assignments required to be made to the Crown were required to be made to the National Research Council;

And whereas it is deemed advisable to provide that, in the case of inventions made prior to the 23rd of January, 1945 by members of the armed forces organized in groups for research related to the war, the requirement that the same shall be referred to the Inventions Board and on requisition of the Board assigned to the Crown shall no longer apply;

And whereas the said Order of December 24, 1943, as amended, empowers the Board to authorize inventors to exploit inventions and suggestions commercially when such exploitation is not contrary to the public interest and provides also for the re-assignment of inventions not retained for the exclusive use of His Majesty;

And whereas it is further deemed advisable to establish the procedure to be followed in making such re-assignments and authorizing inventors to exploit inventions commercially;

And whereas by reason of the continued existence of the national emergency arising out of the war against Germany and Japan, it is deemed necessary or advisable to provide for continuing or discontinuing in an orderly manner as the emergency permits the aforesaid measures adopted during and by reason of the war;

And whereas the Minister of Reconstruction and Supply, Chairman of the Committee of the Privy Council on Scientific and Industrial Research, with the concurrence of the Minister of National Defence and the Minister of National Defence for Air, recommends the amendment of the said Order in Council, accordingly.

Therefore His Excellency the Administrator in Council is pleased to amend the said Order in Council P.C. 9750 of December 24, 1943 (as amended by Order in Council P.C. 497 of January 23, 1945) and it is hereby further amended by adding thereto the following sections:

22. Sections eighteen and nineteen of this Order shall apply to all inventions and suggestions made since the twenty-fourth day of May, 1943.

23. (1) Notwithstanding anything in this Order, His Majesty may assign or re-assign to the inventor any invention, patented invention or suggestion vested in or held for or on behalf of His Majesty by virtue of or pursuant to this Order and may at any time grant to the inventor a licence to make, construct, use and vend to others to be used any such invention, patented invention or suggestion.

(2) A grant, assignment or re-assignment pursuant to subsection one of this section may be made on behalf of His Majesty by the Honorary Advisory Council for Scientific and Industrial Research or by such other person as the Governor in Council may from time to time direct.

A. D. P. HEENEY,
Clerk of the Privy Council.

And whereas by Order in Council P.C. 5573 of July 14, 1943, the application of the said Act was extended to the employees of St. Clair Processing Corporation Limited, which provides the technical management services for several of the units forming part of the said plant;

And whereas the Minister of Reconstruction and Supply reports that the corporations which were engaged in construction work of the synthetic rubber plant at Sarnia, Ontario, have completed their work;

That as of January 1, 1946, the employees of Dow Chemicals of Canada Limited and Canadian Synthetic Rubber Limited and St. Clair Processing Corporation Limited have been protected under the provisions of the Workmen's Compensation Act of the Province of Ontario; and

Order in Council extending the period during which double depreciation under the Income War Tax Act may be allowed, etc.

P.C. 1449

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 16th day of April, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas under the Income War Tax Act, the Minister of National Revenue in his discretion may allow depreciation at not more than double the rates normally allowed in respect of plant or equipment built or acquired in a period to be fixed by the Governor in Council if the taxpayer is, in the opinion of the Minister, making a new investment by building or acquiring the plant or equipment;

And whereas the said period was fixed by Order-in-Council P.C. 8640 of November 10, 1944, as being that commencing on November tenth, Nineteen Hundred and Forty-Four, and ending on the last day of the year, Nineteen Hundred and Forty-Six or on the day two years from the day on which organized hostilities between Canada and Germany ceased wholly or substantially, whichever is the earlier;

And whereas having regard to the existing policy of giving priority to housing and in view of the short supply of various types of equipment and building materials, it is desirable that the period during which such plant or equipment is to be built or acquired should be extended to the Thirty-first day of March, Nineteen Hundred and Forty-Eight;

And whereas it is desirable that industries planning postwar expansion, conversion or modernization, although such projects will not be proceeded with immediately, should prepare their plans with despatch, and to accomplish such purpose it is advisable to provide that applications for certification by the Minister of Reconstruction and Supply as provided for by Section 3 of the said Order-in-Council must be filed with the Department of Reconstruction and Supply on or before the Thirty-first day of March, Nineteen Hundred and Forty-Seven;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, the Minister of Reconstruction and Supply and the Minister of National Revenue, and under and by virtue of subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act and The National Emergency Transitional Powers Act, 1945, is pleased to amend the said Order in Council P.C. 8640 and it is hereby further amended as follows:

1. Section 1 is revoked and the following substituted therefor:

1. The period commencing on November Tenth, Nineteen Hundred and Forty-Four and ending on March Thirty-First, Nineteen Hundred and Forty-Eight, is hereby fixed as the period mentioned in sub-paragraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act.

2. Section 2 is amended by adding thereto the following subsection:

(4) The application for the certification by the Minister of Reconstruction and Supply as provided for by subsection (3) of this section 2 must be filed with the Department of Reconstruction and Supply on or before the thirty-first day of

March, Nineteen Hundred and Forty-Seven.

A. D. P. HEENEY,
Clerk of the Privy Council.

DRAFT FORM OF GUARANTEE

For valuable consideration received, Commodity Prices Stabilization Corporation Limited (hereinafter referred to as "the Corporation") hereby guarantees to (hereinafter referred to as "the bank") payment of all promissory notes for the purchase of coal, coke or briquettes for summer stocking (hereinafter referred to as "notes"), given by consumer purchasers of any such fuel to dealers therein and discounted by the bank, provided that each note in order to be eligible for guarantee must be

- (1) made by a consumer purchaser of coal, coke or briquettes and payable to a dealer therein in payment of any such fuel and does not exceed \$250 and is not less than \$50 in amount including interest at the basic rate of 6·2 per cent per annum (if more than one note is taken to cover a transaction where payment is not being made in equal monthly instalments, the series of notes shall be regarded as one note in the computation of maximum and minimum amounts referred to);

Order in Council amending the Rehabilitation Grant Regulations

P.C. 1701

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 30th day of April, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas Order in Council P.C. 6358 dated 2nd October, 1945, as amended by Order in Council P.C. 17 dated 11th January, 1946, authorizes the payment of a grant designated the "Rehabilitation Grant" to certain persons who have ceased to serve in the Armed Forces of Canada after having served continuously therein on active service for a minimum period of 183 days, such grant to consist of an amount equal to 30 days' pay and marriage or dependents' allowance;

And whereas the Minister of National Defence reports that, since members of the naval, military and air forces of Canada may be serving on active service after the 31st March, 1946, members of the Permanent and Interim Forces would not be entitled to the Rehabilitation Grant under the terms of Order in Council P.C. 6358 dated 2nd October, 1945, as amended, until the forces are removed from active service;

That it is, therefore, desirable to set a date when Permanent, Interim and other members of the Armed Forces of Canada shall become entitled to the said grant; and

That the Rehabilitation Grant is a benefit payable in respect of active service and will not be paid to personnel who joined the forces since the cessation of hostilities for the purpose of pursuing a postwar career;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of National Defence and under the authority of The National Emergency Transitional Powers Act, 1945 is pleased to amend the regulations made by Order in Council P.C. 6358 dated 2nd October, 1945, and they are hereby further amended by inserting after paragraph 6 thereof, the following, to be designated as paragraph 6A:

6A. Notwithstanding that components of the Royal Canadian Navy, the Canadian Army and the Royal Canadian Air Force may be on active service after 31st March, 1946:

- (a) Members of the Royal Canadian Navy, Permanent Active Militia or Royal Canadian Air Force (Regular) shall be entitled to receive the Rehabilitation Grant, if eligible therefor, on the 31st March, 1946;
- (b) Members of the naval, military or air forces of Canada, other than those mentioned in (a) hereof, shall be entitled to receive the Rehabilitation Grant, if eligible therefor, either on the effective date of becoming a member of the Royal Canadian Navy, Permanent Active Militia or Royal Canadian Air Force (Regular), as the case may be, or on the effective date of his retirement, discharge or other termination of continuous paid service, whichever may be the earlier;
- (c) Service after 31st March, 1946, shall not count as active service for purposes of these Regulations;
- (d) Subject to the provisions of paragraphs 2 and 4 of these Regulations, the pay and dependents' allowance in issue to and on behalf of members of the naval, military or air forces of Canada on 31st March, 1946, shall be considered the pay in issue upon which the Rehabilitation Grant paid on or after that date shall be calculated;
- (e) The Rehabilitation Grant shall not be payable to a member as aforesaid, who is serving overseas, until his return to Canada, unless his retirement, discharge or other termination of continuous paid service takes place overseas.

WARTIME PRICES AND TRADE BOARD

ADMINISTRATOR'S ORDER No. A-1929

Maximum Prices for Used Cars

Under powers conferred by the Wartime Prices and Trade Board on the Administrator of Motor Vehicles and Parts, it is hereby ordered as follows:

1. This Order shall come into force on May 6, 1946.

2. Clause (d) of Section 2 of Administrator's Order No. A-1489 is hereby deleted and is replaced by the following clause:

"(d) "model year" in respect of a car shall begin with the first day of October of the year which precedes the year by which the model of the car is designated by the manufacturer or designated in any catalogue, circular, pamphlet, price list or document purporting to be issued by or on behalf of the manufacturer. If the model year of a car is not so designated, it shall be the calendar year in which the car was manufactured. In respect of any reserve passenger motor vehicle referred to in Order No. M.V.C. 17 dated March 28, 1942, the model year shall be the calendar year in which, according to the records of the Administrator, such vehicle was first acquired under that Order (Note—information regarding such calendar year may be obtained at any office of the Board);".

3. Clause (f) of said Section 2 is hereby deleted and is replaced by the following clause:

"(f) "new car price" (i) for any car listed in Schedule AA, A, BB, B or C to this Order means the price respectively shown for such car in such Schedule, and (ii) for any car not listed in any of said Schedules means the price listed in any of such Schedules for the car that is most similar in body type and model, seating capacity, piston displacement, brake horse-power, number of cylinders, wheelbase and chassis type, and (iii) for any other car not similar in the foregoing respects to any car listed in any of said Schedules, means the price fixed by the Administrator;".

4. Clause (b) of subsection (1) of Section 3 of said Order is amended by deleting the words "For example" and all words thereafter and by substituting the following therefor:

"(For example: Assume that a reconditioned car of X make, 1942 model, listed in Schedule "A" at \$1,500.00, is being sold by a dealer in April, 1946, in Saskatchewan, with a radio and spare tire that are not original equipment. The maximum selling price is ascertained as follows:

New car price (clause (a) item (i) above and schedule "A")....	\$ 1,500.00	
Plus handling charge (clause (a) item (ii) above).....	25.00	
Plus accessories (clause (a) item (iii) above and Schedule "D"):		
Radio	\$ 70.00	
Spare tire and tube.....	25.00	
	<hr/>	
	\$ 95.00	95.00
Plus transportation (clause (a) item (iv) above and Schedule "D")		140.00
		<hr/>
Total of these items		\$ 1,760.00

In accordance with the appropriate percentage shown in clause (b) above for a reconditioned car over 4 and up to 5 years, take 55 per cent of this sum of \$1,760.00, which makes the dealer's maximum selling price for the car \$976.00.)"

5. Section 3 of said Order is hereby further amended by adding thereto subsection (4) as follows:

"(4) No person shall sell any car referred to in paragraph (iii) of clause (f) of Section 2 until the new car price therefor has been fixed by the Administrator. Any person who proposes to sell such a car shall, before selling it, obtain from the nearest office of the Board a statement in writing showing the new car price therefor and, if such new car price is not on record at such office, shall make an application to the Administrator to fix the new car price."

6. Subsection (1) of Section 5 of said Order is hereby amended by adding at the end thereof the sentence "If the used car is not owned by the dealer, the tag shall show the name and complete address of the person who claims to be the owner thereof and if such person is not the registered owner thereof, shall also show the name and complete address of the registered owner."

7. Subsection (2) of said Section 5 is hereby amended by adding at the end thereof the following sentences "In the case of a used car delivered to the dealer for repairs or storage, the dealer shall record in writing the name and complete address of the owner thereof and sufficient particulars to identify the car, and shall retain and produce such record for inspection by any representative of the Board. No dealer shall have in his possession or control any car for his personal use or as a service car unless such dealer has filed at the nearest office of the Board a statement in writing showing the make, model, model year and serial number of such car."

8. Subsection (3) of said Section 5 is hereby deleted and is replaced by the following:

"(3) No dealer shall tag or display for sale, or permit to be tagged or displayed for sale, or sell any used car as a reconditioned car unless it is in good operating condition and unless he is the registered owner of the car."

9. Section 7 of said Order is hereby deleted and is replaced by the following:

"7. Every person who offers to purchase a used car in the possession or control of a dealer being a car which is tagged or required to be tagged under Section 5, and who offers in cash the maximum price for it, or the tagged price if lower, shall be entitled to acquire it for that price in cash and the dealer shall sell it to that person for that price in cash without requiring that person to exchange or trade in any other used motor vehicle or goods."

10. Subsection (1) of Section 9 of said Order is hereby deleted and is replaced by the following:

"(1) Any person, other than a dealer, who advertises or offers in writing any used car for sale shall

- (a) show in such advertisement or offer the name and complete address of the owner of the car and the location, make, model, body type, model year and serial number of such car, shall show any options and accessories (including any spare tire or tube) to be sold with the car, and shall show the proposed sale price of such car with such options and accessories which price shall not exceed the maximum price permitted by this Order and
- (b) sell such car, options and accessories, at a price not exceeding such advertised price or the maximum price therefor, whichever is the lower, to any person who offers to pay such price in cash."

11. Section 11 of said Order is hereby deleted and is replaced by the following:

"11. (1) Any person who sells a used car shall, at the time of sale and before delivering the car to the buyer, make in writing a statement of the sale in the form set out in Schedule "F" to this Order and shall therein furnish all information required by such form. Such statement shall be signed by the seller and the buyer and by a witness to each signature. If a dealer acts as an agent in the sale, the statement shall also be signed by such dealer and by a witness to his signature. The statement shall in all cases be made and signed in triplicate and one signed copy shall be filed by the seller, within four days from the date of the sale, at the nearest office of the Board, and the seller shall keep and produce to any representative of the Board a record showing the Board office at which such statement was filed and the date of such filing.

(2) Any dealer who has in his possession a used car that he has sold (whether or not all of the purchase price has been paid) or on which he has granted an option to purchase or on which he has received a deposit shall, forthwith after such sale or granting such option or receiving such deposit, conspicuously display on such car a tag stating that the car has been sold or optioned or that a deposit on it has been received and showing the date of the transaction and the name and complete address of the person to whom he sold the car or granted the option or from whom he received the deposit, as the case may be. No car shall be optioned or held on deposit for longer than five days."

12. Subsection (1) of Section 15 of said Order is hereby amended by adding at the end thereof the sentence "No person whose permit as a dealer has been suspended or cancelled shall, while the permit remains suspended or cancelled, sell any used car except with the consent in writing of the Administrator or other person authorized by the Board and on such terms and conditions as the Administrator or such authorized person may prescribe."

13. Subsection (3) of said Section 15 is hereby amended by inserting immediately after the words "facilities" the words "or arrangements".

14. The said Order is hereby further amended by adding at the end thereof Section 18 as follows:

"18. Every dealer shall furnish to any representative of the Board such information respecting any used car then or theretofore in the possession of such dealer as such representative may require."

15. The said Order is hereby further amended

- (a) by adding thereto, as the first Schedule, new Schedule "AA" as hereto annexed;
- (b) by deleting the heading "Ford" in Schedule "A" and substituting therefor the heading "Ford—8 cylinder";
- (c) by adding thereto, immediately following Schedule "A", new Schedule "BB" as hereto annexed;

(d) by deleting Schedule "C" and by substituting therefor new Schedule "C" as hereto annexed.

Dated at Ottawa, this 23rd day of April, 1946.

Administrator of Motor Vehicles and Parts.

WARTIME PRICES AND TRADE BOARD

ADMINISTRATOR'S ORDER No. A-1963

Maximum Wholesale and Retail Prices of Specified Goods Wholly or Partly of Canadian Manufacture

Under powers given by the Wartime Prices and Trade Board to the Administrator of Distributive Trades, it is hereby ordered as follows:

1. This Order comes into force on May 1, 1946, and applies notwithstanding the provisions of Sections 9 and 10 of Order No. 617 of the Board, to all sales by wholesalers and retailers of the kinds of goods named in the Schedule hereto if wholly or partly manufactured in Canada. Such goods are hereinafter referred to as "specified goods".

PART I—SALES BY WHOLESALERS

Specified Goods Supplied by Manufacturers

2. The maximum price, sales and excise taxes, if any, included, at which a wholesaler may sell or offer to sell to any person any specified goods acquired by him from the manufacturer thereof shall be the LESSER of the following amounts, namely:

(a) the sum of:

- (i) the lawful maximum price, at which the manufacturer who is his supplier may sell the goods to any wholesaler plus sales and excise tax, if any, not included in such maximum price;
- (ii) the actual cost incurred by him in transporting the goods to his place of business from his supplier's shipping point, if and to the extent that such cost is not included in the actual price he paid for the goods; and
- (iii) a markup (percentage of selling price) thereon not greater than the markup set out in Column A of the Schedule hereto opposite those goods;

(b) the sum of:

- (i) the actual price paid by him for the goods, but not exceeding the lawful maximum price at which the manufacturer who is his supplier may sell the goods to him, plus sales and excise taxes, if any, not included in such actual price;
- (ii) the actual cost incurred by him in transporting the goods to his place of business from his supplier's shipping point, if, and to the extent that such cost is not included in the actual price he paid for the goods; and
- (iii) a markup (percentage of selling price) thereon not greater than that which he could lawfully have obtained on March 30, 1946, on his sales to that person of the same or a substantially similar kind and quality of goods.

Specified Goods Supplied by Other Wholesalers

3. The maximum price at which a wholesaler may sell or offer to sell any specified goods acquired by him from another wholesaler shall be the maximum price, sales and excise taxes, if any, included, at which his supplier may sell the goods to any retailer, and each seller shall show on his sales invoice such maximum price for sales to a retailer.

Price Differentials

4. Every wholesaler shall on every sale of any specified goods to any person continue to allow any difference in price which he has during the basic period or customarily allowed to such person and which results in a lower net price per unit of those goods.

Prepayment of Outward Transportation

5. If a wholesaler who sells any specified goods, f.o.b. his warehouse, prepays the outward transportation charges to his customer's receiving point, he may not include such charges or any markup thereon as part of his selling price. If such charges are included in the invoice for the goods, he shall show them as a separate item thereon.

PART II—SALES BY RETAILERS

Specified Goods Supplied by Wholesalers

6. The maximum price at which a retailer may sell or offer to sell any specified goods acquired by him from a wholesaler shall be the LESSER of the following amounts, namely:

- (a) the sum of:
 - (i) the lawful maximum price, sales and excise taxes, if any, included, at which his supplier may sell the goods to any retailer;
 - (ii) the actual cost incurred by him in transporting the goods to his place of business from his supplier's shipping point, if and to the extent that such cost is not included in the actual price he paid for the goods; and
 - (iii) a markup (percentage of selling price) thereon not greater than the markup set out in Column B of the Schedule hereto opposite those goods;
- (b) the sum of:
 - (i) the actual price, sales and excise taxes, if any, included, paid by him for the goods, but not exceeding the lawful maximum price, sales and excise taxes, if any, included, at which his supplier may sell the goods to him;
 - (ii) the actual cost incurred by him in transporting the goods to his place of business from his supplier's shipping point, if and to the extent that such cost is not included in the actual price he paid for the goods; and
 - (iii) a markup (percentage of selling price) thereon not greater than that which he could lawfully have obtained on March 30, 1946, on his sales of the same or a substantially similar kind and quality of goods.

Specified Goods Supplied by Manufacturers

7. The maximum price at which a retailer may sell or offer to sell any specified goods acquired by him from the manufacturer thereof shall be the LESSER of the following amounts, namely:

- (a) the sum of:
 - (i) the lawful maximum price, at which the manufacturer who is his supplier may sell the goods to any retailer plus sales and excise tax, if any, not included in such maximum price;
 - (ii) the actual cost incurred by him in transporting the goods to his place of business from his supplier's shipping point, if and to the extent that such cost is not included in the actual price he paid for the goods; and
 - (iii) a markup (percentage of selling price) thereon not greater than the markup set out in Column C of the Schedule hereto opposite those goods;
- (b) the sum of:
 - (i) the actual price paid by him for the goods, but not exceeding the lawful maximum price at which the manufacturer who is his supplier may sell the goods to him, plus sales and excise taxes, if any, not included in such actual price;
 - (ii) the actual cost incurred by him in transporting the goods to his place of business from his supplier's shipping point, if and to the extent that such cost is not included in the actual price he paid for the goods; and
 - (iii) a markup (percentage of selling price) thereon not greater than that which he could lawfully have obtained on March 30, 1946, on his sales of the same or a substantially similar kind and quality of goods.

PART III—GENERAL PROVISIONS

Specified Goods Priced at Retail at Twenty-five Cents (25c) or Less

8. Notwithstanding the provisions of Sections 6 and 7, any retailer whose lawful maximum price on sales of a stated quantity of any specified goods, in effect on March 30, 1946, did not exceed twenty-five cents (25c) shall not be required to reduce

such price for such quantity, provided, however, that nothing contained in this Section shall authorize any retailer to discontinue offering for sale larger quantities of such goods in accordance with his normal practice.

9. (1) Every wholesaler shall maintain proper records of his purchases and sales of specified goods, shall retain all invoices furnished to him on his purchases of specified goods, shall furnish invoices to the buyers on all sales of specified goods by him and shall keep copies thereof and produce such records and invoices on request to any representative of the Board.

(2) Every retailer shall maintain proper records of his purchases of specified goods, shall retain all invoices furnished to him on his purchases of specified goods, shall at the buyer's request furnish an invoice on the sale by him of any specified goods to that buyer and shall keep a copy thereof and produce such records and invoices on request to any representative of the Board.

10. The Schedule hereto shall be subject to such changes as the undersigned Administrator may designate, generally by notice published in *Statutory Orders and Regulations* or by directive in individual cases.

Dated at Ottawa, this 29th day of April, 1946.

J. H. THOMSON,
Administrator of Distributive Trades.

APPROVED:

Now therefore, pursuant to authority conferred by the Wartime Prices and Trade Board, it is hereby ordered as follows:

1. Notwithstanding the terms or provisions of any law, by-law, conveyance, deed or agreement which in any way prohibits or restricts the conversion of real property known in the year 1946 as 1 Foxbar Road, in the City of Toronto and Province of Ontario, into and the use thereof as a multiple family dwelling house, the owner of such single family dwelling house is hereby permitted to convert into and use the same as a three-family dwelling house, subject to the following conditions:

- (a) no dwelling unit therein shall have a floor area less than five hundred square feet;

Under powers given by the Wartime Prices and Trade Board to the Administrator of Fresh Fruit and Vegetables, it is hereby ordered as follows:

PART I—INTRODUCTION AND DEFINITIONS

Effective Date and Application of the Order

1. (1) This Order comes into force on May 6, 1946, and revokes Administrator's Order No. A-1626, as amended, which it replaces.

(2) This Order applies to domestic and imported potatoes of all kinds, grades, qualities and varieties grown in 1946 and sold or offered for sale in the period May 6, 1946, to August 31, 1946, both inclusive. Such potatoes are hereinafter referred to as "new potatoes". However, this Order does not apply to sweet potatoes and yams.

(3) The provisions of Administrator's Order No. A-1560, as amended, shall not hereafter apply to new potatoes.

Prices Fixed are Maximum Prices

2. All prices fixed by this Order are maximum prices and must not be exceeded. No charge may be made for a container or for packing, handling or any other service which results in the sum of the price and the charge for the container, packing, handling and/or service exceeding the maximum price.

Additional Payments and Considerations are to be Part of the Price

3. Any consideration, money or money's worth given or paid by the buyer to any person in connection with the purchase of any new potatoes or received by the seller from any person in connection with the sale of any new potatoes shall constitute part of the price of such new potatoes.

Definitions

4. For the purposes of this Order,

- (a) "consumer" means a person who buys new potatoes for his personal or household consumption;
- (b) "distributing centre" means a city, town or village in which one or more wholesale distributors are carrying on business;
- (c) "sell" includes an offer to sell;
- (d) "shipper" means any person who assembles and ships potatoes at the point of production or a primary producer of new potatoes;
- (e) "wholesale distributor" means any person, other than a shipper, who sells new potatoes at wholesale and "sell at wholesale" means to sell otherwise than at retail or to a consumer.

PART II—SALES BY SHIPPERS (INCLUDING PRIMARY PRODUCERS)

5. (1) The maximum price at which a shipper may sell any new potatoes to any class of buyer delivered

- (b) at any distributing centre other than Harrow and Vancouver shall, according to the class of buyer, the size and kind of container in which the new potatoes are packed and sold and the period in which the sale is made be the price set forth in the said Schedule PLUS the cost of transporting new potatoes in carload lots (including protective service charges when authorized in writing by the Administrator) to that distributing centre from Harrow or Vancouver, whichever cost is the lower;
- (c) delivered at any other point, shall, according to the size and kind of container in which the new potatoes are packed and sold and the period in which the sale is made, be the maximum price as fixed by clauses (b) preceding at which he may sell new potatoes to that class of buyer delivered to the distributing centre nearest to such point PLUS the cost of transporting new potatoes by freight in less than carload lots to such point from such nearest distributing centre.

(2) The maximum prices fixed by subsection (1) of this Section include the cost of delivery to the distributing centre or other point of delivery. A shipper may, however, price the new potatoes on the basis of f.o.b. his farm or shipping point and in that event his maximum price shall be reduced by an amount equal to the cost of transporting the new potatoes from his farm or shipping point to the point of delivery to the buyer.

(4) No wholesale distributor shall sell any new potatoes by the container in a 100 lb. bag, 75 lb. bag, 50 lb. hamper, 15 lb. container or 10 lb. container unless the net weight of the potatoes in the container at the time of delivery to the buyer is, respectively, equal to or more than 100 lbs., 75 lbs., 50 lbs., 15 lbs. and 10 lbs.

(3) If a retailer purchases any new potatoes by the container in 100 lb. bags, 75 lb. bags, 50 lb. hampers, 15 lb. containers or 10 lb. containers, the net weight of the potatoes in such containers when received by him shall, for the purpose of determining the maximum price of the quantity priced and sold by him, be deemed to be, respectively, 100 lbs., 75 lbs., 50 lbs., 15 lbs. and 10 lbs.

P.C. 1767

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 7th day of May, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas, by Order in Council P.C. 9056 of 6 October, 1942, (and amendments thereof) regulations have been made under the authority of the Food and Drugs Act respecting standards for articles of food or drugs, the packaging and labelling thereof and other matters as provided in the Act;

And whereas, due to the war, with consequent dislocation of many aspects of the Food and Drugs industry, shortages and other matters, it was considered necessary to make, under the authority of the War Measures Act, exceptions, alterations and variations in the regulations under the Food and Drugs Act;

And whereas the Minister of National Health and Welfare reports that, as conditions relating to articles of food or drugs have not yet returned to normal, it is considered desirable that the effect of the Orders in Council hereinafter set out, as therein provided, be retained until the 31st day of December 1946, but under the authority of the Food and Drugs Act and not under the authority of the War Measures Act; the situation to be reviewed prior to the said date and provision made for continuing in effect all or any of the said Orders, as may be necessary;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of National Health and Welfare and under the provisions of the National Emergency Transitional Powers Act, 1945, is pleased to order and doth hereby order that, insofar as the following Orders in Council, viz:—

amend, alter, affect or vary the regulations under the Foods and Drugs Act, as made and enacted by Order in Council P.C. 9056 of 6 October, 1942, and as amended, the same shall, notwithstanding the said regulations, continue in effect until the 31st day of December, 1946, under the authority of the Food and Drugs Act, and the said Orders shall *mutatis mutandis* apply to the said regulations, and that the said Orders, insofar as the War Measures Act is concerned, be and they are hereby revoked.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas consideration has been given to the problems arising out of the administration of the National Selective Service Civilian Regulations in the post-war period;

And whereas it appears advisable for the efficient administration of the said regulations that the conditions pertaining to employment on ship repair work at Member Shipyards of the Canadian Shipbuilding and Ship Repairing Association be recognized, and controlled in the manner hereinafter set out;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Labour and under and by virtue of the authority of the National Emergency Transitional Powers Act, 1945, is pleased to amend the National Selective Service Civilian Regulations (Order in Council P.C. 2796, dated April 24, 1945) and they are hereby further amended by revoking subsection two of section two hundred and two and substituting the following therefor:—

Order in Council extending provisions of agreement covered by P.C. 6496, 12th October, 1945, (assuring builders against loss)

P.C. 1810

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 7th day of May, 1946.

PRESENT:

HIS EXCELLENCY,

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 6496 dated October 12, 1945, the Minister of Finance is authorized to enter into agreements with builders to give them a minimum assurance against loss in respect of houses built pursuant to such agreements and to do all things necessary to carry out his obligations, such agreements to be in the form attached to the said Order in Council or in a form to like effect;

And whereas the said agreement provides, among other things, that in consideration of a builder agreeing (a) to build a specified number of houses, (b) to apply for a loan under Part I of The National Housing Act, 1944, in respect of each house and (c) to offer such houses for sale first to veterans and then to others at a fixed selling price, the Minister of Finance agrees to purchase from the builder not later than one year from the date of completion thereof any house built pursuant to the agreement that had not been sold;

And whereas by Order in Council P.C. 719, 28th February, 1946, it is provided that Central Mortgage and Housing Corporation shall, on behalf of His Majesty, and in the place of the Minister of Finance, do, exercise and perform, all rights, powers, duties, liabilities and functions of the Minister of Finance under Order in Council P.C. 6496, dated October 12, 1945, or under any contract entered into under the said Order in Council;

And whereas by Order in Council P.C. 1513 dated April 16, 1946, passed under the Public Service Rearrangement and Transfer of Duties Act, the powers, duties and functions of the Minister of Finance under The National Housing Act, 1944, and The Central Mortgage and Housing Act, were transferred to the Minister of Reconstruction and Supply;

And whereas agreements have been entered into by the Minister of Finance and by Central Mortgage and Housing Corporation with builders and a number of houses have been built and sold to veterans pursuant to such agreements;

And whereas all such houses built and being built under such agreements are "one-family dwellings" due to the fact that the approved form of agreement contemplates only such one-family dwellings;

And whereas the Minister of Reconstruction and Supply recommends that the application of Order in Council P.C. 6496 and the form of agreement authorized thereby be extended as hereinafter provided;

Board Order

WARTIME PRICES AND TRADE BOARD**Order No. 631****Temporary Housing Accommodation provided by the
University of British Columbia**

The University of British Columbia has made arrangements for the housing of its students and staff who were former members of the Armed Forces, by the acquisition from War Assets Corporation of huts and other types of dwellings.

In view of the temporary and emergent nature of this project and the anticipated turnover of occupants which may necessitate frequent re-allocation of space to accommodate families of varying sizes, it is desirable and expedient that the University of British Columbia be enabled to fix its own rentals for this type of emergency shelter and be enabled to terminate any lease made therefor in accordance with the rental arrangement made with the student or member of its staff.

Now, therefore, pursuant to authority conferred by The Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, the Board hereby orders as follows:—

1. For the purposes of this Order, the definition of any expression contained in Order No. 294 of the Board shall extend and apply to the same expression wherever used in this Order.

2. From and after May 13, 1946, the provisions of The Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, and any Order of the Board made pursuant thereto, shall cease to apply to any housing accommodation owned or controlled by the University of British Columbia and situate on premises known as Old Forestry Camp on University Hill in the University Endowment Lands, so long as the University of British Columbia is the landlord thereof.

3. This Order shall come into force on the 13th day of May, 1946.

Made at Ottawa, this 6th day of May, 1946.

Orders in Council

Order in Council approving agreement with Nova Scotia Apple Marketing Board Limited

P.C. 1456

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 14th day of May, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Governor General in Council has during the past seven years approved, under the authority of the War Measures Act, agreements with the Nova Scotia Apple Marketing Board Limited with respect to the marketing and processing of apples grown in the Annapolis Valley of the Province of Nova Scotia;

And whereas the Minister of Agriculture reports that it is desirable and expedient to continue assistance during the marketing year 1946-47 by entering into a further agreement with the said Board providing industry assistance for the processing and other disposal of apples surplus to the marketing outlets for packed apples; and

That it is estimated that the maximum amount which will be required by the Minister will be \$1,556,300, not more than \$500,000 of which will be required before July 1, 1946;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Agriculture, and under the authority of the National Emergency Transitional Powers Act, 1945, is pleased, hereby, to approve the agreement in the form attached hereto and to authorize execution thereof by the Minister of Agriculture.

A. D. P. HEENEY,

Clerk of the Privy Council.

Memorandum of the Agreement made this day of A.D. 1946.

Between:

The Nova Scotia Apple Marketing Board Limited, a body corporate and politic having its Head Office in the Town of Kentville in the Province of Nova Scotia, hereinafter called the "Board"

of the first part

and

His Majesty the King, in the right of Canada and represented herein by the Honourable, the Minister of Agriculture, hereinafter called the "Minister"

of the second part

Whereas the Minister has been authorized under the authority of the National Emergency Transitional Powers Act, 1945, as a food conservation measure to assist in the marketing of surplus apples in Nova Scotia through the medium of a selling agency.

Now therefore in consideration of these presents the parties hereto covenant and agree each with the other as follows:—

1. (a) "Apples" means apples grown in the Annapolis Valley in the year 1946;
- (b) "Annapolis Valley" means the Counties of Queens, Lunenburg, Annapolis, Kings and Hants in the Province of Nova Scotia.

2. The Board covenants and agrees—

- (a) to market outside of the Annapolis Valley only apples of grades and sizes prescribed by regulation under the Fruit, Vegetables and Honey Act, except under permit by the Department to market other grades or sizes for processing outside of the Annapolis Valley;
- (b) to receive for the account of the growers all moneys paid by the Minister under the terms of this Agreement;
- (c) to conduct a pool for equalization of all moneys paid by the Minister together with all moneys received from sales of apples and, after deducting all necessary and proper disbursements and expenses to make payment to the growers in accordance with such pooling arrangement which shall be on the basis of like returns for apples of the same or comparable variety, grade, marketability and packing costs;
- (d) to maintain separate accounting records of all sales of apples and evaporated apple and all moneys received thereof together with such supporting vouchers as may be necessary for the purposes of any audit which may be required;
- (e) to submit to the Minister for each calendar month and for the season a statement in detail of (a) apples marketed for fresh consumption, (b) apples marketed for processing, (c) apples delivered to processing plants for the Board's account, and (d) processed apple marketed by or for the Board.

3. The Minister agrees—

- (a) to pay to the Board industry assistance to the sum or amount of \$1,356,300 less \$1.23 per barrel for all domestic and export sales of packed apples in excess of 500,000 barrels;
- (b) that payments shall be as follows: \$500,000 on June 1, 1946; \$500,000 on December 1, 1946; the third and final payment upon submission by the Board of a final statement of sales of packed apples and of deliveries and sales for processing purposes; provided that any amount so paid but not due shall be refunded by the Board.

4. The Minister further agrees to assist with the Provincial Government in a program for the removal of aged and undesirable trees by paying to the Board the sum or amount of \$2 per bearing tree of minimum trunk diameter eight inches, designated by the Board and certified by inspectors under the Fruit, Vegetables and Honey Act to have been removed or destroyed in commercial orchards between the completion of 1945 harvesting and December 31, 1946, provided, however, that the amount payable under this clause shall not exceed \$200,000.

5. Notwithstanding anything contained in Clause 3 hereof, if, in the opinion of the Minister, the Board, its sub-agents or growers fail to live up to the spirit and intent of this agreement and, without limiting the generality of the foregoing, if in particular there is in the opinion of the Minister unreasonable failure of the Board to market fresh or processed apples, the Minister may reduce the basis for the final payment of industry assistance under Clause 3(b) hereof.

In witness whereof the parties hereto have hereunto set their hands and seals.

The Nova Scotia Apple Marketing Board Ltd.

Minister of Agriculture.

ORDER No. 630

Mail Order Catalogues

Maximum prices on sales at retail of some goods are fixed by Order on the basis of a specified maximum markup and it is contemplated that maximum prices on sales at retail of other goods will be fixed by further Orders on such basis. Mail order houses find it necessary to print their catalogues in advance of such further Orders. In such circumstances, it is desirable that special directions be given in regard to such catalogues.

Therefore, under powers conferred by The Wartime Prices and Trade Regulations, Order in Council P.C. 8528 of November 1, 1941, as amended, the Board hereby orders as follows:

1. This Order shall come into force on April 29, 1946.
2. For the purposes of this Order, "seller" means any person designated by the Administrator of Distributive Trades as a person to whom the provisions of this Order shall apply.
3. The seller may publish in such of his catalogues as may be specified from time to time by the Administrator, of Distributive Trades his selling price for any goods calculated on the following basis:
 - (a) the lawful maximum price that may be charged by his supplier as of the date on which the relevant portion of the catalogue goes to press and sales and excise taxes, if any; plus
 - (b) the cost of transporting the goods to his place of business from his supplier's shipping point if and to the extent that such cost is not included in the actual price he paid for the goods; plus
 - (c) such markup as may be fixed from time to time in respect of those goods by the Administrator having jurisdiction over sales of such goods at retail.
4. The price for any goods as published in the said catalogue shall be subject to such adjustment as the Administrator having jurisdiction over sales of those goods at retail may specify from time to time by directions in writing.

PART I
Orders in Council

Order in Council amending the Pension Act—restoration with effect
June 1, 1946, of “the insurance principle” *re* service rendered wholly
in Canada

P.C. 2077

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 23rd day of May, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas under the Pension Act pensions are payable in respect of military service rendered during World War I when the injury or disease or aggravation thereof resulting in disability or death was attributable to or was incurred during such military service;

And whereas in the case of military service during World War II wholly rendered in Canada pensions are payable only where the injury or disease or aggravation thereof resulting in disability or death arose out of or was directly connected with such military service;

And whereas by reason of the continued existence of the national emergency arising out of the war against Germany and Japan it is deemed necessary or advisable for the purpose of providing for the rehabilitation of members of the armed forces of Canada and for the purpose of continuing or discontinuing in an orderly manner, as the emergency permits, measures adopted during and by reason of the war, to amend the provisions of the Pension Act so that pensions shall be payable in respect of military service rendered in Canada during World War II in the same circumstances as in respect of military service rendered during World War I;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs and pursuant to The National Emergency Transitional Powers Act, 1945, is pleased to make and doth hereby make the following Order, to have force and effect on and from the first day of June, 1946:

O R D E R

A. The Pension Act, Chapter 157, R.S.C. 1927, is amended as follows:

1. The introductory words of subsection one of section eleven are repealed and the following substituted therefor:—

“(1) In respect of military service rendered during the Great War or during the war with the German Reich,”

2. Subsection two of section eleven is repealed and the following substituted therefor:—

“(2) In respect of military service in peace time, pension shall be awarded to or in respect of members of the forces who have suffered disability, in accordance with the rates set out in Schedule A to this Act, and in respect of members of the forces who have died, in accordance with the rates set out in Schedule B to this Act, when the injury or disease or aggravation thereof resulting in disability or death in respect of which the application for pension is made arose out of or was directly connected with such military service.”

3. Subsection three of section eleven is repealed.

B. Notwithstanding sections twenty-seven and thirty-seven of the Pension Act, in the case of a pension awarded for disability or death in respect of military service during World War II that was wholly rendered in Canada on and after the twenty-first day of May, 1940, and no part of which was rendered in a theatre of actual war, when the injury or disease or aggravation thereof resulting in disability or death in respect of which the application for pension is made did not arise out of or was not directly connected with such military service, the pension shall not take effect on any day prior to the first day of June, 1946.

A. D. P. HEENEY,
Clerk of the Privy Council.

Order in Council amending the Merchant Seamen Special Bonus Order

P.C. 2149

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 28th day of May, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas The Merchant Seamen Special Bonus Order (P.C. 3227 of the 3rd May, 1945), as amended by Order in Council P.C. 18 of the 11th January, 1946, provides, *inter alia*, for payment of a special bonus of ten per centum of his total earnings during service in dangerous waters between the 10th September, 1939, and the 1st April, 1944, to every seaman who meets the terms and conditions of the said Order;

And whereas the said Order requires as a condition to the making of the said payment that the seaman has enrolled in the Merchant Seamen Reserve or has signed a Manning Pool Agreement to serve for the duration of the war or, if permanently employed by an owner or charterer of a ship, has agreed with the Director of Merchant Seamen to serve at sea with the same employer for the duration of the war, if required;

And whereas the Minister of Transport reports that many seamen, who otherwise would come within the terms of the said Order and be entitled to the special bonus, have made application to the Director of Merchant Seamen for the bonus at a date prior to the termination of the war for the purposes of the War Measures Act on the 1st January, 1946, but owing to delays and difficulties incident to their calling and the administration of the said Order were unable to complete before the said date the necessary forms for enrolment in the Merchant Seamen Reserve under which seamen agreed to serve at sea for the duration of the war, if required;

That it would be considered inequitable and a hardship if these seamen who served during the most dangerous and critical period of the war prior to the 1st April, 1944, should be debarred from receiving the special bonus for the reason that, although they had made application for the bonus before the 1st January, 1946, they had not signed the required form before that date;

That certain other seamen, who otherwise would come within the terms of the said Order and be entitled to the special bonus, have made application to the Director of Merchant Seamen for the bonus after the 1st January, 1946, and who for reasons beyond their control, such as absence at sea, were unable to make such application or to enrol in the Merchant Seamen Reserve before the said date, and it is considered that they also should be permitted to qualify for the bonus;

That under the terms of the said Order any seaman employed on a ship owned in Canada but registered elsewhere as a British ship and operating under Canadian Articles of Agreement is eligible to receive the above-mentioned payment;

That three cable ships, the "Lord Kelvin", the "Cyrus Field", and the "John W. MacKay", registered in the United Kingdom and operating under United Kingdom Articles of Agreement, have operated out of Halifax for the greater part of the war in dangerous waters, and it is proposed to extend the benefit of the said payment to any member of the crews of the said ships who is either a Canadian citizen or resident in Canada and who was engaged and discharged in Canada;

That a small number of Canadian seamen, probably not more than twenty, who were regularly entered into a Canadian Manning Pool and owing to the exigencies of war were assigned by the Regional Director of the Manning Pool to serve in a United Kingdom ship have applied for the special bonus;

That these seamen were not eligible to join a United Kingdom Merchant Navy Reserve Pool, having been signed on a British ship abroad, and were ultimately repatriated to Canada and re-entered into a Canadian Manning Pool; and

That as they were assigned by order of the Regional Director of a Manning Pool to serve on a British Ship, it is considered that these Canadian seamen are entitled to the benefit of the said Order during their period of service to the same extent as seamen who served under Canadian Articles of Agreement in a ship registered in Canada;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Transport, and under and by virtue of The National Emergency Transitional Powers Act, 1945, is pleased to amend The Merchant Seamen Special Bonus Order and it is hereby further amended, as follows:—

- (1) By striking out paragraph 2 (e) and substituting therefor the following,—

2. (e) "seaman" means and includes any person employed on board a ship under an agreement made pursuant to Section 163 of the Canada Shipping Act, 1934, or any person being a Canadian citizen or resident in Canada who served on any of the cable ships "Lord Kelvin", "Cyrus Field", or "John W. MacKay" and was engaged and discharged in Canada.

- (2) By adding thereto, as paragraphs 15, 16, 17 and 18, the following,—

15. Any Seaman or radio operator who has served at least six months on ship between the 10th day of September, 1939, and the 1st day of April, 1944, and has made application to the Director of Merchant Seamen for the bonus on or before the 1st day of January, 1946, but has not signed an agreement to serve at sea for the duration of the war, shall be deemed to have enrolled in the Merchant Seamen Reserve prior to that date and, if otherwise qualified, shall be entitled to the benefit of this Order.

16. Notwithstanding the provisions of paragraphs 3 (a) and 5 of this Order, if any seaman or radio operator who has served at least six months on ship between the 10th day of September, 1939, and the 1st day of April, 1944, but has not signed an agreement to serve at sea for the duration of the war, makes application to the Director of Merchant Seamen for the bonus after the 1st day of January, 1946, and can show to the satisfaction of the Minister that his failure to make such application was due to circumstances beyond his control, the Minister may authorize payment of the bonus to him.

17. Notwithstanding the provisions of paragraph 2 of this Order, any seaman being a Canadian citizen or resident in Canada who was regularly entered into a Canadian Manning Pool and assigned by the Regional Director of such Manning Pool to a British ship owned or controlled in the United Kingdom, and who served in such ship or ships between the 10th day of September, 1939, and the 1st day of April, 1944, and was subsequently re-entered into a Canadian Manning Pool, shall be deemed to be a seaman within the meaning of this Order and, if otherwise qualified, shall be entitled to the benefit of this Order for the period of his service in a United Kingdom ship as if he had served during such period under Canadian Articles of Agreement in a ship registered in Canada.

18. No application for the bonus shall be received by the Director of Merchant Seamen after the 31st day of August, 1946.

A. D. P. HEENEY,
Clerk of the Privy Council.

WARTIME PRICES AND TRADE BOARD

ADMINISTRATOR'S ORDER No. A-2003

Maximum Prices of Hard Furniture

Since the basic period, price adjustments have been authorized to compensate manufacturers of hard furniture for increased costs of production which they were unable to absorb. Due to further increases in costs of production it is now desirable to consolidate the previous Orders with a new Order which will authorize certain presently warranted adjustments to the manufacturers. A Markup Order is being issued which will clarify and stabilize markups at wholesale and retail which have lacked uniformity and have been susceptible to misinterpretation and/or misapplication.

Prices in British Columbia have already been adjusted.

Therefore under powers given by the Wartime Prices and Trade Board to the Administrator of Wood Products, Furniture and Office Equipment, it is hereby ordered as follows:

Effective Date and Application

1. (1) This Order comes into force on May 29, 1946 and replaces Administrator's Orders No. A-130 and No. A-1076 which are hereby revoked.

(2) This Order applies to the sales of hard furniture by manufacturers in all the provinces of Canada excepting the province of British Columbia.

Interpretation

2. For the purposes of this Order,

(a) "hard furniture" means the kinds of furniture of which wood is the chief component and which is known to the trade by that name and includes wood parts which are manufactured to the stage where they can be used only in the manufacture of hard furniture; but does not include

- (i) office furniture;
- (ii) school furniture;
- (iii) church and lodge furniture;
- (iv) hospital and laboratory furniture;
- (v) radio cabinets;
- (vi) pianos or organs;
- (vii) upholstered furniture;
- (viii) frames for upholstered furniture;
- (ix) caskets;
- (x) wooden chairs for which price adjustments have already been authorized by Price Notification in 1945 under the provisions of Board Order No. 414.

Maximum Manufacturers' Prices

3. The maximum prices at which a manufacturer of hard furniture may sell such furniture to a wholesaler or retailer shall be the maximum price at which he could lawfully have sold such furniture on May 28, 1946, plus thirteen per cent (13%) of that price.

Filing of Revised Prices

4. Not later than June 30, 1946, every person who manufactures hard furniture is required to file with the Administrator of Wood Products, Furniture and Office Equipment, a price list, in duplicate, showing for each item of such furniture made by him, his maximum price

- (a) on May 28, 1946; and
- (b) as authorized by this Order.

Prices for Wholesalers and Retailers

5. Nothing contained in this order authorizes any wholesaler or retailer to increase his selling price for hard furniture purchased by him before May 29, 1946. Such

furniture as well as hard furniture purchased on or after May 29, 1946 must be sold by wholesalers and retailers in accordance with the provisions of Administrator's Order No. A-2000.

Dated at Ottawa, this 27th day of May, 1946.

ORDER No. 636

Controlling the Sale and Distribution of Fresh Atlantic Herring

In order to ensure that available supplies of Atlantic Fresh Herring are used for essential purposes and are not diverted to less essential uses, it is considered advisable to authorize officials of the Federal Department of Fisheries to control the sale and distribution of such fish.

Therefore under powers given to the Board by Order in Council P.C. 8528, dated November 1, 1941, and amendments,

PRESENT

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 82/2705, dated the 18th April 1944, passed under and by virtue of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, certain provision was made for the exemption from Income Tax of members of the Canadian Army (Active) and the Royal Canadian Air Force, who are carried on the strength and within the establishments of Canadian Hospital Ships and of Ships' Conducting Staffs;

Under the powers given by the Wartime Prices and Trade Board to the Administrator of Iron and Steel (Primary), is hereby ordered as follows:

Introduction

1. This Order comes into force on April 1, 1946, and replaces Administrator's Order No. A-1869 which is hereby revoked.

Interpretation

2. For the purpose of this Order:

- (a) "blackplate" means any unplated carbon steel sheets; it includes chemically treated blackplate and includes "primes", "seconds", "rejects" and "waste-waste" but does not include "waste";
- (b) "terneplate" means blackplate coated on one or both sides with lead tin alloy; it includes "primes", "seconds", "rejects" and "waste-waste" but does not include "waste";
- (c) "tinplate" means hot dipped blackplate, coated on one or both sides with tin, or electrolytic tinplate; it includes "primes", "seconds", "rejects" and "waste-waste" but does not include "waste";
- (d) "metal container" means any unused container the body of which is made wholly or in part of tinplate, terneplate or blackplate and which is intended for packing products of any kind for sale, storage or shipment; it includes railroad shipping, hand delivery and factory type milk or cream cans whether used or unused; it also includes the covers, caps or closures for such metal containers; it does not include drums, high or low pressure gas steel cylinders or collapsible metal tubes.

Exemptions

3. The provisions of this Order shall not apply to metal containers or metal closures used for canning or preserving any food products including fruits, vegetables, fruit or vegetable juices, poultry, meat or fish when such products are used or consumed within the home and are not sold or offered for sale.

4. The provisions of this Order shall be subject to such written exemptions as the Administrator of Iron and Steel (Primary), upon application to him, may grant in individual cases of undue hardship or special circumstances.

Manufacture of Metal Containers

5. No person shall use tinplate, terneplate or blackplate to make any metal container unless such container is in a size and of a material set out in the Schedule to this Order and is suitable for the packing of a commodity listed in the said Schedule.

6. Every manufacturer of metal containers in so far as is practicable shall schedule his operations (including the ordering of tinplate, terneplate, or blackplate) so as to permit delivery of metal containers in the quantities and at the times required but where he is unable to schedule all requirements for delivery upon the dates requested, he shall select the orders to be placed in his production schedule according to the following preferences:

- (a) metal containers for products designated by the letter "A" in Column 2 of the said Schedule;
- (b) metal containers for products designated by the letter "B" in Column 2 of the said Schedule;
- (c) metal containers for products designated by the letter "C" in Column 2 of the said Schedule;

Delivery of Metal Containers

7. No person shall deliver any metal containers to any person for any purpose other than resale

- (a) unless and until the person to whom the delivery is made files with him a signed statement showing the quantities requested classified by sizes of containers, commodity to be packed and type of metal;
- (b) unless the commodity to be packed is listed in the said Schedule and the containers are in a size and made of a metal set out in the said Schedule opposite the name of the said commodity.

Acquisition of Metal Containers

8. No person shall acquire any metal containers for any purpose other than resale unless and until he files with his supplier a signed statement

- (a) showing for the information of his supplier and of the Board the quantities requested classified by sizes of containers, commodity to be packed and type of metal; and
- (b) in which he undertakes to use the metal containers in accordance with the provisions of this Order or in accordance with the terms of a permit issued by the said Administrator.

Packing of Metal Containers

9. No person shall use metal containers for any purpose other than for packing a commodity listed in the said Schedule in accordance with the packing quota, size and material limitations set forth in the said Schedule for that commodity.

10. No person shall pack in a metal container any commodity listed in Commodity Groups "A", "B", "C", "D", "E" and "F" of the said Schedule unless such commodity is intended for human consumption.

11. Wherever in the said Schedule a packing quota is shown in Column 3 for any commodity, the number of metal containers that may be packed during the period April 1, 1946, to March 31, 1947, with such commodity shall be determined by applying such quota.

- (a) in the case of a food commodity, against the quantity of such commodity packed in metal containers in the base year set out in such Column, or
- (b) in the case of a non-food commodity, against the total area of plate used to pack such commodity in the base year set out in such Column.

12. No person during the period April 1, 1946, to September 30, 1946, shall use or accept delivery of in any calendar month for the packing of any commodity for which a packing quota is set out in the said Schedule, more metal containers than 10 per cent of the quantity of metal containers that is sufficient for the packing of his packing quota for such commodity for the period April 1, 1946, to March 31, 1947.

13. Metal containers which on March 30, 1946, were completely manufactured and which are not suitable for the packing of commodities as provided in this Order, may be used to pack other commodities permitted to be packed on March 30, 1946; provided, however, that any packing quota applicable under this Order to the packing of such commodity shall apply to the packing of such commodity in such containers.

14. No person shall remove any fruit, fruit juice, vegetables, vegetable juice or soup from a metal container in which it has been packed to another metal container unless the first mentioned metal container has a capacity of four gallons or more and it can be used again to pack the same or a similar kind of commodity; provided, however, that tomato paste, tomato pulp or puree and tomato sauce may be removed from No. 10 cans (105 oz.) or No. 12 cans (126 oz.) or larger cans for the purpose of packing with other products.

Reports

15. Every person who manufactures or uses metal containers shall make such reports to the said Administrator as the said Administrator may from time to time require.

Dated at Ottawa, this 28th day of March, 1946.

ARTHUR MAY,

Administrator, Iron and Steel (Primary).

APPROVED:

D. GORDON,

Chairman, Wartime Prices and Trade Board.

Dated June 6, 1946

Pursuant to the powers conferred by Order in Council P.C. 1752 of March 5, 1943, and any other Order in Council or Statute,
IT IS HEREBY ORDERED AS FOLLOWS:

1. *Interpretation*

For the purposes of this Order, unless the context otherwise requires,

- (a) "consumer" means any person who buys fuel for consumption in premises owned or occupied by him or for the heating of which he is responsible;
- (b) "fuel" means any coal, coke or briquettes;
- (c) "low volatile coal" means any bituminous coal having less than 20% of volatile matter;
- (d) "purchase order" means any verbal or written order placed with a coal dealer calling for the delivery of fuel at any time until April 1, 1947;
- (e) "standard period" means the period between April 1, 1945 through March 31, 1946;
- (f) "normal annual requirements" means, with respect to the premises to which delivery is to be made, the total quantity of fuel
 - (i) stated by the consumer to have been consumed therein during the standard period; or
 - (ii) entered in writing in the records of the coal dealer as having been delivered by him thereto during the standard period, provided the quantities so entered do not exceed the quantities authorized by the Orders of the Controller for delivery during the said period; or
 - (iii) estimated by the coal dealer as being needed for consumption therein until April 1, 1947.

2. *Classification of Fuel*

For the purposes of this Order fuel is classified as follows:

(a) *Class A Fuel*

- (i) United States anthracite coal in the following sizes—grate (broken) egg, stove, chestnut and pea;
- (ii) Welsh anthracite coal—cobble, French nuts, stove nuts;
- (iii) Any sized coke (except Beehive coke) the largest (top) size of which will not pass through an inch and one-eighth screen;
- (iv) Low volatile coal—nut size and larger;

(b) *Class C Fuel*

Any fuel which is not Class A fuel.

3. *Consumer's Purchase Orders for Fuel*

(1) A consumer must not place purchase orders with coal dealers for more fuel for consumption in any premises than the total quantity of fuel consumed in the

premises during the standard period, unless he has no knowledge of the total quantity of fuel consumed in the premises during the standard period, in which case he must give the coal dealer with whom he places his order all the information the coal dealer may require to estimate the quantity of fuel needed for consumption in the premises until April 1, 1947; and the consumer may place purchase orders for a quantity of fuel not exceeding such estimate.

(2) A consumer must give, for the use or information of the Coal Controller, to any coal dealer with whom the consumer places a purchase order for fuel, any information the coal dealer requires with respect to the following matters:

- (a) the quantity of fuel consumed during the standard period in the premises to which the fuel is to be delivered;
- (b) whether or not the consumer has any other purchase order or orders for fuel for the same premises placed with other coal dealers;
- (c) if there are any such orders, the quantity of each class of fuel which has been delivered since March 31, 1946 against such purchase orders and the dates of such deliveries, and the quantity of each class of fuel (if any) which remains to be delivered against such orders;
- (d) the quantity of fuel the consumer has on hand;
- (e) the type of burning equipment in use in the premises to which the fuel is to be delivered.

(3) If required by the coal dealer, the consumer must give in writing over his signature the information set out in subsection (2) of this Section.

(4) A consumer who places purchase orders for fuel with more than one coal dealer must arrange with each coal dealer with whom such orders are placed for the fuel ordered to be delivered in quantities not exceeding those set out in Section 4 of this Order.

4. *Delivery of Fuel by Coal Dealers*

(1) *Quantities of Fuel Authorized for Delivery*

Until November 1, 1946, a coal dealer must not deliver to any consumer and a consumer must not accept delivery of, for use in any premises any more fuel of all kinds than the quantity which, when added to any fuel delivered since March 31, 1946, equals 80% of the normal annual requirements. Of this 80%, there shall be no more Class A fuel than the quantity which, when added to any Class A fuel delivered since March 31 1946, equals 60% of the normal annual requirements; provided that any coal dealer may deliver fuel in a single load up to, but not in excess of two tons in any case where it is necessary to do so for the full utilization of the labour and delivery facilities at the disposal of the dealer.

(2) *Calculation of normal annual requirements*

In arriving at the normal annual requirements for any premises a coal dealer may use either of the methods set out in subparagraphs (i) and (ii) of paragraph (f) of Section 1 of this Order, but must not use more than one of such methods. The method set out in subparagraph (iii) of the said paragraph (f) may be used only in cases where the consumer has no knowledge of the total quantity of fuel consumed in the premises during the standard period and the coal dealer has no record in writing of any fuel having been delivered by him to the premises during the standard period. Each coal dealer must, before delivering any fuel to any premises, enter in the record he is required to keep by Section 9 of this Order a statement showing which of the methods set out in the said paragraph (f) he is using and the normal annual requirements arrived at by its use.

(3) Every invoice or sales slip for coal delivered by a coal dealer to a consumer must show the quantities, prices and descriptions of each class of fuel delivered.

5. *Special Restrictions on Deliveries of Class A Fuel to Large Consumers*

Without a permit in writing from the Controller, a coal dealer must not deliver and a consumer must not accept delivery of any Class A fuel (whether rescreened or unscreened) for use in space heating any premises where the normal annual requirements exceed thirty tons, unless the premises are heated by a stove or a hot air furnace.

6. *Special Restrictions on Deliveries of Welsh Anthracite in Blower Sizes*

(1) No coal dealer shall deliver any Welsh anthracite in blower sizes to a customer except in mixture with other fuel, in which not more than 55 per cent of the mixture is Welsh anthracite in blower sizes.

(2) A coal dealer who delivers a mixture of fuels containing Welsh anthracite blower sizes shall designate on the weigh slip, delivery ticket, statement or other evidence of such delivery, that the fuel delivered is a mixture and the amount of Welsh anthracite in blower sizes contained therein.

7. *Retail Dealers' Supplies of Fuel*

(1) Each retail dealer is required to take all necessary steps to augment his supply of Class A fuel with sufficient Class C fuel to assure that the minimum essential fuel requirements of the communities which he serves will be met.

(2) A retail dealer must not accept purchase orders for fuel in excess of the quantities that he reasonably anticipates will be available to him.

8. *Reports*

Each retail dealer shall, on forms prescribed by the Coal Controller, file with the Coal Controller on or before the 10th day of July, 1946, and on or before the 10th day of each month thereafter, a report in writing signed by the dealer setting out all the information required by the said forms.

9. *Records*

(1) Each coal dealer shall keep a record in writing showing, with respect to each person to whom fuel is delivered by the coal dealer,

- (a) the location of the premises to which the fuel is delivered; and
- (b) the quantity of each class of fuel delivered; and
- (c) the statement required by subsection (2) of Section 4 of this Order.

(2) Each coal dealer shall keep each such record and all written statements received by him from consumers under this Order on file for a period of two years and all such written statements and the coal dealer's records shall be subject to inspection by the Controller or his representative at any time.

10. *Exceptions to Order*

Nothing in this Order shall apply to any purchase order for fuel of or to the delivery of fuel to any person for use in

- (a) cooking or baking food products for sale;
- (b) an industrial plant for purposes other than space heating;
- (c) a hospital;
- (d) poultry brooders or hatcheries;
- (e) commercial fishing vessels and/or other mercantile vessels engaged in the commercial transportation of cargo or passengers.

11. *Area Affected by Order*

This Order shall apply only in the Provinces of Ontario, Quebec, New Brunswick, Nova Scotia and Prince Edward Island.

E. J. BRUNNING,
Coal Controller.

C. D. HOWE,
Minister of Reconstruction and Supply.

Order in Council appointing Controller re Woodworking Industry, etc., in British Columbia

P.C. 2503

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 18th day of June, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas upon a dispute arising between certain operators of several logging camps, saw mills, woodworking plants, shingle and planing mills and sash and door mills in the Province of British Columbia, and the employees in those camps,

plants and mills who are members of International Woodworkers of America, the Honourable G. McG. Sloan, Chief Justice of British Columbia, was appointed an Industrial Disputes Enquiry Commissioner to inquire into and report on the said dispute as the same concerns wage rates and other conditions of employment;

And whereas on the fifteenth day of May, 1946, the said International Woodworkers of America, acting on behalf of the said employees, declared a strike whereupon the employees went on strike, and since the said date have continued to be on strike;

And whereas the Honourable George S. Pearson, Minister of Labour for the Province of British Columbia, has advised that in consequence of the continued work stoppage resulting from the said strike, wooden containers are not now available for use in harvesting and marketing the fruit and vegetable crop of that province, and, further, that unless sufficient quantities of such wooden containers are made available immediately for such use, great loss will be sustained by the fruit and vegetable growers in the Province and great waste of essential food will result;

And whereas the said the Honourable George S. Pearson recommends that a Controller be appointed to take charge of and to operate such and as many of the said camps, mills and plants as he considers necessary to produce the requisite quantities of the required types and sizes of the said wooden containers for the uses aforementioned, and, further, that the Controller shall have power to direct the said employees or any of them to return to work;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Labour, and under the authority of the National Emergency Transitional Powers Act, 1945, is pleased to make and doth hereby make the following Order:

ORDER

1. Gordon Bell, Esquire, of the City of Vancouver, in the Province of British Columbia, Financial Agent, is hereby appointed Controller of the business, undertaking and establishment of every person, firm or corporation in the said Province, engaged in the operation of a saw mill or woodworking plant and in particular every woodworking plant normally engaged in the manufacture of wooden containers for use in the harvesting and marketing of fruit and vegetables or of a logging camp normally engaged in the supply of logs for any such plant.

2. The said Controller shall have the custody and control over the property and assets of any such person, firm or corporation as he, in his uncontrolled discretion and judgment, may deem necessary in order to manage, operate and carry on the business of such person, firm or corporation, and he shall, for such purposes, have and exercise the powers, authorities and rights of the Board of Directors of any such corporation.

3. The Controller shall exercise the foregoing powers and authorities subject to such instructions and directions, if any, as may from time to time be approved by the Minister of Labour for Canada.

4. The Minister of Labour for Canada may, for purposes of this Order, from time to time appoint one or more Deputy Controllers who shall have and exercise any and all of the powers conferred on the Controller subject to any restrictions thereof which the Controller may from time to time impose and subject, in all cases, to review by the Controller.

5. The Controller, any Deputy Controller or any person acting for or on behalf of or under the authority of the Controller shall not become liable to any person for anything done or omitted in the exercise or purported exercise of any powers or authority from time to time vested in or conferred upon the said Controller.

6. The authority of the Controller shall commence at 12 o'clock noon, the 19th day of June, 1946, and shall continue until the same is revoked by Order in Council which shall be published in the *Canada Gazette*.

7. The authority of the Board of Directors of any corporation affected by this Order is, subject to Section 10 of this Order and insofar as the same is abrogated by

or pursuant to Section 2 of this Order, suspended from 12 o'clock noon, the 19th day of June, 1946, until the powers, authority and rights of the Controller in respect of such corporation shall be revoked.

8. It shall be the duty of every person who was in the employ of any such person, firm or corporation on or immediately prior to the 15th day of May, 1946, to perform the duties of his employment as and when required to do so by the Controller and he shall continue to perform such duties until the authority of the Controller is revoked; and every person who fails to perform his duties as aforesaid as hereinafter required without lawful excuse, the onus of proof of which is upon him, is guilty of an offence and liable upon summary conviction to a fine of \$20 for each day or part of a day in which he fails so to perform his duties.

9. Each and every person who was in the employ of any person, firm or corporation affected by this Order shall forthwith return to his place of employment and shall be paid wages at the rate in effect for him on the 15th day of May, 1946.

10. The Minister of Labour for Canada shall request the said Commissioner, The Chief Justice of British Columbia, G. McG. Sloan, to commence his duties as Commissioner; and the bargaining representatives of the aforesaid employees and each person, firm or corporation concerned herewith shall enter into negotiations with a view to the settlement of the matters presently in dispute between them, and shall negotiate in good faith with one another and make every reasonable effort to conclude a settlement. If by reason of such further negotiations, the parties agree upon an amount as an increase in the wage rates for the said employees, such increase shall, subject to the approval of the Regional War Labour Board for British Columbia, be effective as and from the date upon which the employee returns to work.

11. Any person who (a) interferes with the exercise by the Controller or any Deputy Controller of any of the powers, authorities and rights conferred upon him, or (b) interferes with any employee or other person seeking to comply with the terms of this Order or (c) counsels or procures any person to violate this Order, shall be guilty of an offence and liable upon summary conviction to a fine not exceeding in the case of (a) \$5,000 or imprisonment for a term not exceeding five years or to both such fine and such imprisonment; and in the case of (b) or (c), to a fine not exceeding \$500 or imprisonment for a term not exceeding six months or to both such fine and such imprisonment.

Clerk of the Privy Council.

Board Orders

WARTIME PRICES AND TRADE BOARD

ORDER No. 638

Imported Farm Machinery and Equipment

Explanatory Note: Normally approximately half of Canada's requirements of farm machinery and equipment are imported from the United States. Recently, the Office of Price Administration in that country has authorized increases in maximum prices of such machinery and equipment, which maximum prices are reflected in their costs to Canadian importers. Because of the dependence of many Canadian farmers on this source of supply, recognition must be given in the Canadian price structure to the increase in prices in the country of origin. However, the Board, in this Order, is limiting the adjustments in the Canadian ceiling prices of these goods to the actual amount by which their landed costs have increased by virtue of the action taken in the United States, thereby providing the greatest possible limitation upon the increases in prices within Canada while still meeting the overriding necessity of ensuring maximum supply.

Under powers given to the Board by The Wartime Prices and Trade Regulations, being Order in Council P.C. 8528, dated November 1, 1941, and amendments, the Board orders as follows:

Application and Effective Date:

1. This Order comes into force on June 15, 1946, and applies to farm machinery and equipment, repair parts and attachments therefor imported into Canada from the United States.

Definitions:

2. For the purpose of this Order:

- (a) "Farm Machinery and Equipment" means agricultural machinery, mechanical equipment and implements used on a farm for the production or care of crops, livestock, poultry or other produce, imported from the United States for sale in Canada, and listed in Schedule "A" hereto;
- (b) "Repair Parts" means and includes all types of spare parts imported from the United States for sale in Canada and customarily used for the repair of farm machinery and equipment;
- (c) "Attachment" means any supplementary part, group of parts, assembly or appliance imported from the United States for sale in Canada, which may be added to an otherwise complete machine to extend the utility of such machine;
- (d) "Importer" means any person in Canada engaged in importing from the United States for sale in Canada, farm machinery and equipment, repair parts or attachments therefor;
- (e) "Landed Cost" means the cost at the importer's warehouse or distributing point and includes the U.S. invoice price plus U.S. exchange, customs duty (where applicable), brokerage and freight from the U.S. shipping point to the importer's Canadian warehouse or distributing point.

Maximum Selling Prices

3. (1) The maximum retail price at which any person may sell any item of imported farm machinery and equipment, repair part or attachment

therefor, shall be the maximum retail price at which he could have sold that item on June 14th, 1946, plus an amount no greater than the amount by which the landed cost on or after June 15th, 1946 exceeds the landed cost at the time the maximum retail price in effect on June 14th, 1946 was established.

- (2) The price at which any person, other than a dealer selling at retail prices, may sell in any territory any item of farm machinery and equipment, repair part or attachment therefor, shall not exceed his maximum price for that item on June 14th, 1946, plus the amount of the increase in the maximum retail price for that item as provided in subsection (1) above.

Notification of New Prices

4. (1) Before selling repair parts at prices higher than his maximum selling prices for those repair parts in effect as of June 14th, 1946, any importer whose maximum selling prices for repair parts may be increased pursuant to the provisions of this Order, shall

- (a) file with the Administrator of Farm and Construction Machinery and Municipal Service Equipment, a list of the rate or rates of increases which he proposes to apply to his prices in effect on June 14th, 1946, together with detailed computations used as bases or formulae in determining such increases;

- (b) receive written notification from the Administrator that such rate or rates of increases may be applied in accordance with the provisions of this Order.

- (2) Each supplier selling any repair part at wholesale shall inform his customers of the price increase authorized therefor by this Order, in such form as the Administrator of Farm and Construction Machinery and Municipal Service Equipment may designate.

- (3) In this Section, a sale at wholesale means any sale except a sale at retail.

5. If any seller is in doubt as to whether any particular goods are included in Schedule "A" hereto, he shall enquire from the Administrator of Farm and Construction Machinery and Municipal Service Equipment and comply with any directions given to him accordingly.

Made at Ottawa, this 14th day of June, 1946.

D. GORDON,
Chairman.

APPLICATION OF ORDER AND DEFINITIONS

1. This Order comes into effect on May 31, 1946, and replaces Administrator's Order No. A-1696, as amended, which is hereby revoked. It applies to sales by canners of the products listed in Schedule "A" when those products are packed in metal containers of the sizes set forth in the Schedule. However, the maximum prices for the products listed in Schedule "A" to this Order come into effect as follows:

- (d) on September 1, 1946, for sales of corn and all varieties of pears.

The maximum price at which a canner may sell each of the above products before the effective date applicable to sales of it as set forth in clauses (a), (b), (c) and (d) above, shall be the maximum price in effect for sales by him of the product on May 30, 1946.

This Order also fixes markups for sales at wholesale and retail of products listed in Schedule "A" and Schedule "B", canned condensed soups and canned pork and beans when these products are packed in any size of glass or metal container.

Sales by canners of the products listed in Schedule "A" when packed in sizes of metal containers for which maximum prices are not fixed in this Order or when packed in glass containers, and products listed in Schedule "B" continue to be governed by the provisions of the Wartime Prices and Trade Regulations unless a specific price fixation has been issued or is hereafter issued therefor by or on behalf of the Board.

Sales by canners of canned condensed soups and canned pork and beans continue to be governed by the provisions of Board Order No. 531.

2. This Order does not apply to any dehydrated or frozen fruit or vegetable or to any jam, jelly or marmalade.

3. All references in this Order to selling or sales include also offerings to sell or offers for sale.

4. For the purposes of this Order and its Schedules, "fancy", "choice", and "standard" mean, respectively, the qualities of the products herein referred to as they are defined in the regulations respecting fruits and vegetables issued under The Meat and Canned Foods Act.

PART I—SALES BY CANNERS*General Provisions*

6. All maximum prices fixed by this Order for sales by canners are exclusive of Dominion sales tax and are f.o.b. the seller's factory or warehouse. At the request

of the buyer, a canner may prepay the freight on any shipment, but in that event he must show it as a separate item on his sales invoice to the buyer.

7. Sales by a canner of any product for which a maximum price is fixed by this Order shall, in addition to all other terms and conditions expressed in this Order, be upon the following terms and conditions:

Administrator's Order No. A-1666, applies to sales of imported cherries except during that period.

- (2) This Order does not apply to sales of cherries by growers and licensed shippers to any manufacturer or processor for use in manufacturing or processing any food or other product.

Prices Fixed are Maximum Prices

2. All prices fixed by this Order are maximum prices and must not be exceeded. No charge may be made for a container or for packing, handling or any other service which results in the sum of the price and the charge for the container, packing, handling and/or service exceeding the maximum price.

Additional Payments and Considerations are Part of the Price

3. Any consideration, money or money's worth given or paid by the buyer to any person in connection with the purchase of any cherries or received by the seller from any person in connection with the sale of any cherries shall constitute part of the price of such cherries.

placed outside the Printing Bureau

P.C. 2496

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 18th day of JUNE, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 4706 of June 5, 1942, passed under authority of the War Measures Act, the limitation of \$500 provided by Section 26 (2) of Chapter 162, Revised Statutes of Canada, 1927, "The Public Printing and Stationery Act", with regard to printing orders placed outside by the King's Printer, was increased to \$2,500 for the duration of the war, with the provision however that in the provinces

of Ontario and Quebec the proposed increase should not apply except in cases where the department issuing the order stated in writing that the urgency of the work warranted the bringing of such order under the increased limitation;

And whereas the King's Printer states that the usefulness of this Order in Council no longer exists;

Therefore His Excellency the Governor General in Council, on the recommendation of the Secretary of State, and under the provisions of the National Emergency Transitional Powers Act, 1945, is pleased to revoke the said Order in Council and it is hereby revoked accordingly.

PRESENT:

Government Notice re Equitable Distribution

WARTIME PRICES AND TRADE BOARD

Statement of Policy with Respect to Equitable Distribution of Goods in Short Supply

On September 15, 1945, the Wartime Prices and Trade Board amended the official statement of policy with respect to the equitable distribution of goods in short supply which was issued on October 6, 1942, and which required suppliers, i.e., manufacturers and wholesalers, to make an equitable distribution among their 1941 customers of any goods in short supply.

The amendment of September 15, 1945, was made in accordance with the Board's policy of relaxing and abandoning controls at the earliest practicable opportunity and with a view to restoring greater freedom of action to suppliers in respect to certain commodities even though they might still be in short supply.

A more particular objective of the Board in making this modification, which introduced an element of elasticity into the system, was to make available a supply of goods still in short supply for demobilized servicemen who required them in the establishment of businesses which would effect their re-establishment in civil life.

At the time the amendment of September 15, 1945, was put into effect it was stated that a continuous examination of the supply position of all commodities and their grouping according to the degree of freedom of action that would be granted to the suppliers affected would be made and that changes would be announced from time to time as to this regrouping. In accordance with that statement announcements have been made under date of November 15, 1945, December 31, 1945, and February 1, 1946, changing the grouping of certain commodities. In the announcement of February 1, 1946, it was stated that any goods which were exempted from maximum prices or on which maximum prices were suspended would thereupon fall into Group "A", which would mean that they would be freed of all restriction under the Board's Policy of Equitable Distribution. From time to time announcements have been made by the Board with respect to certain goods thus affected which are not specifically referred to in any statement with respect to equitable distribution but which are covered by the general terms of the amendment of February 1, 1946.

As the Board's policy of equitable distribution refers only to goods in short supply, complete freedom of action is automatically accorded to suppliers in respect to goods which are not in short supply, i.e., goods for which suppliers are able to meet the full requirements of their customers.

Beyond this, the Board permits freedom of action with respect to certain goods which, although still available in quantities insufficient to meet full demand, are rapidly coming into more adequate production. These commodities are set out in Group "A" below.

With respect to a second group of commodities, which are still in short supply but at least a proportion of which the Board believes must be made available to new entrants into business, particularly demobilized servicemen who require supplies to establish themselves in business, the Board no longer requires suppliers to allocate more than 80 per cent of their current supplies ratably among their present customers, i.e., those they supplied in 1941 together with new customers they have since been entitled to accept. The remaining 20 per cent will be considered "free goods" which may be distributed at the suppliers' discretion, either to present customers or to new customers, *providing* that a reasonable proportion of these "free goods" are made available to demobilized servicemen. The commodities affected by this modification of policy are set out in Group "B" below.

With respect to the remaining commodities which are still in short supply, the Board does not consider the time has yet arrived to make any changes in their distribution and they will remain under the terms of the Equitable Distribution Policy as heretofore.

As conditions change and material comes into better supply, the Board will move the commodities into Group "B" or Group "A" until all goods are in Group "A" and the Board's Policy of Equitable Distribution will have served its purpose and will no longer be in operation. The Board will, however, intervene by issuing specific directives

in any case where a particular area or group of suppliers is found to be receiving less than its fair share of goods or, if a supplier fails to co-operate in making available to demobilized servicemen a reasonable proportion of its "free goods," the Board may require a statement from such supplier showing a breakdown of his distribution and the proportions which have been supplied to demobilized servicemen and, if the latter is unreasonably small, the Board may take whatever action seems appropriate in the circumstances.

The Administrator of Distributive Trades or the appropriate industry administrator should be consulted whenever a supplier is in doubt as to the course he should follow in conforming to the policy herein set out.
